<b>Comments</b>	<p>I go to this area (which is somewhat out of my way) to walk and to bike because of it's rural feel and off the "business path" of Rancho Dr.. I oppose the request for a chain link fence instead of the required solid screen wall. The area needs the upgrade of landscaping for this proposed plan; off-setting the use of the land for heavy machinery. It is a nice area with a rural feel to it; I would like that maintained. This proposal is an intrusion of what has existed when the area residents purchased their homes/lands. If the business wants to introduce industry to the area, it is their obligation to make their proposal an "improvement" to what is existing.</p>
