To: Mayor & City Council

From: Jason Strauss

Im writing to support of the parking variance requested for 727 Sea Pines in the Greens Community.

I have lived and worked in this community for over a decade. Having looked at the facts there is more than enough parking.

Respectfully,
Jason Strauss

Hello City Council Members,

I am writing in reference to item # 88 from today's city council meeting regarding the parking variance for 727 Sea Pines Lane. I have lived at The Greens for a year and can attest to the fact that there is more than enough space for parking.

The people at 727 Sea Pines are good people and I see no reason why a parking variance would adversely effect the neighborhood.

I wholeheartedly support the approval of this variance

Thank you for your time and consideration,
Kyra Roadhouse

To whom it may concern:

I've lived and worked in the community and I know for sure there is plenty of parking at the greens, more than is ever needed. As a realtor I know the importance of having adequate parking and I've sold multiple homes in the greens. I've drove through the community many times at different times of the day and night. There are hundreds of spots. They even allow recreation parking because there is an abundance of parking.

I am writing to support the parking variance for the home at 727 sea pines in the greens community.

If you have any questions please contact me at your earliest convenience.

Hello,

I've lived in the Greens community, and I heard there may be new plans for parking. I'm writing to support the 727 Sea Pines Ln parking variance.

Best,

Nick

Hello my name is Margaret Corcoran. I have been a resident and homeowner in the Greens neighborhood for over 2 years now. I have never once had an issue with parking and on the contrary, there are always more than enough parking spots available.

There is so much parking in our community that the HOA wanted to lease space to Ford and were doing this until the city said it wasn't permitted. So now there is even more parking.

I see no possible harm that this variance could pose for the rest of the Greens community. The residents and owner of 727 are good neighbors, trying to make things right.

For these reasons, I am in full support of the approval for the parking variance for 727 Sea Pines Lane.

Hello, I have been residing in the greens for almost a year now. I am emailing to agree with the 727 Sea Pines parking variance. We have a lot of parking. It is never full.

Thank you.

Dear City Council,

First two years I've been involved with the greens community. Typically 80% of space are empty and it has never been full.

I am writing to back up and advocate to approve the 727 sea pines to get the parking variance for their home

Thank you,

Irene

To whom it may concern,

I've been involved with the Greens community for five years and never once have I seen the community parking full. Because there is always available parking in the community I support 727 Sea Pines in receiving a parking variance.

Sincerely,

Max Novak

Hello,

I am emailing in to support the parking variance for the home in the Green's community at 727 Sea Pines Ln. Las Vegas, NV 89107

I lived in the community and there is lots of available parking.

Thank you.

Attn City Council:

I've lived in the community and know that there is plenty of parking in the greens community and surrounding area.

I know the home owner and he is an amazing person. I am writing to support 727 Sea Pines to get the parking variance for their home.

Best,

Bob Schulman

I have been apart of the community around the Greens for multiple years now and have never had an issue pertaining to a lack of parking. For this reason, I am emailing in support of the parking variance for the home at 727 Sea Pines in the Greens.

December 16, 2020 City Council Meeting
RE: 20-0208-VARI 727 Sea Pines LN Applicant Ryan Wolfington

The Greens HOA has only 123 single family homes built on 18 acres +/- . Site consists of 18 cul-de-sacs attached to what I call "the race track". The race track & 16 cul-de-sacs are 40 feet wide. As to parking: I believe compliance is 267 spaces. The Greens is blessed with 768+/- spaces, including 23 designated oversized lots to accommodate RV Parking. Also includes 115 designated spaces in the cul-de-sacs, 72 designated spaces in RV Park, an additional 12 designated standard size spaces north of RV Park. The race track has 6,000 feet allowing room for 300+ undesignated offsite parking spaces. 123 homes provide an additional 246 designated spaces via 2 car garages. Bringing total to 768+/- spaces where 267 is required. 468 are designated & 300 non designated

As to the residents occupying Ryan's homes, they are guests of Ryan's. They pay no rent. As past president of The Greens HOA, I walked 10,000 steps a day and was very social. Whenever I encountered anyone of them they were polite and respectful of their home & The Greens. I caught one teenager picking up litter. Another past tenant of subject property who was a tennis coach at a private elementary school would teach his children's friends who lived at the Greens tennis. Another living in same house is credited with saving a 94 year old who had not picked up her newspaper. She called 911. Turns out she fell & broke her hip and was on the floor for about 27 hrs. I witnessed two teenagers 1 time in our courts. Ryan's office is down the road at Lorenzi Park and that is where they play tennis. We spent \$85,000 for new courts and they are for all residents, yet they are rarely used. When the tennis players are picked up or dropped off it is always outside the gate.

Ryan is not asking for this variance because he will benefit financially. He purchased house with the conversion already done. Ryan is an asset to the world. He may not be able to share a hardship with you, but if he does not receive variance it will be hardship to me and The Greens, because Ryan will sell his 3 homes and vacate. Ryan is a stand up guy who helps young people by mentoring them with the goal of them attending a top university with full scholarship. He is a giver. I am honored to be associated with him.

Respectfully,

Steven Storlazzi

City Council Meeting. date 12/16/2020 9:00 am

We have been fighting against the construction of this development. We need to stop immediately this construction. If this continues is going to ruin our community. Thanks for your support
