Section 3. All actions, proceedings and matters previously taken, had and done by the City and the officers thereof (not inconsistent with the provisions of this Ordinance) concerning the District, including, but not limited to, the acquisition and improvement of the Project, the levy of Assessments for those purposes, and the validation and confirmation of the Assessment Roll and the Assessments therein, are ratified, approved and confirmed.

Section 4. For the purpose of paying the cost and expense of acquisition and improvement of the Project by the City, there are hereby levied and assessed against the lots, tracts and parcels of land in the District specially benefited by the Project and described in the Assessment Roll, the amounts and assessments shown in the Assessment Roll (as so filed and confirmed). The Council hereby finds and determines that such Assessments do not exceed the benefits to the property assessed nor the total cost and expense of the acquisition and improvement of the Project payable from assessments as previously determined and do not exceed the reasonable market value of the lots, tracts and parcels of land to be assessed.

Section 5.

A. The Developer, pursuant to the Financing Agreement, and the Land Owners, pursuant to the Landowner Agreements, have elected to pay the Assessments in installments, with interest as hereinafter provided, and the Council hereby authorizes such manner of payment. The unpaid Assessments shall be payable on April 1 and October 1 of each year, commencing on October 1, 2021, in sixty (60) semi-annual substantially equal installments of principal and interest until paid in full, with interest in all cases on the unpaid and deferred installments of principal from the effective date of this Ordinance at a rate or rates, which shall not exceed by more than one percent (1%) the highest rate of interest on the Bonds issued for the

District. Between the effective date of this Ordinance and the date the Bonds are issued, the unpaid Assessments shall bear interest at 0%. After the Bonds are issued, the Council hereby delegates to the City's Chief Financial Officer pursuant to NRS 271.415 the ability to fix the rate or rates of interest on the unpaid Assessments in accordance with the parameters described in this Section. The effective interest rate on the Bonds will not exceed the statutory maximum rate, i.e., will not exceed by more than 3% the "Index of Twenty Bonds," which shall have been most recently published before the time bids for the Bonds are received, or at the time a negotiated offer for the sale of such Bonds is accepted.

B. The City Treasurer shall, on approximately March 1 and September 1 of each calendar year, commencing September 1, 2021, mail, by United States mail, postage prepaid as first-class mail, an assessment bill to each owner of a parcel of the Property with respect to which Assessment Installments are payable on the following April 1 or October 1, respectively. The names and addresses of such property owners shall be obtained from the records of the Clark County Assessor or from such other source or sources as the City Treasurer deems reliable. The assessment bill shall specify the amount of the Assessment Installment payable by such owner on the following April 1 or October 1, as applicable, and shall state that each such day is the last day for payment of such amount. Each assessment bill shall specify what portion of the amount payable constitutes interest and what portion constitutes principal.

C. Pursuant to the Indenture, the Trustee is required to notify the City Treasurer, no later than June 10 of each year, commencing June 10, 2022, of the amount on deposit in the Assessment Revenue Fund as of June 3 of such year. On or before June 15 of each year, commencing June 15, 2022, the City Treasurer shall calculate, or cause to be calculated, the Credit Amount for the then current Assessment Year. An amount equal to the Semiannual Credit Amount for such Assessment Year shall be credited against the aggregate Assessment Installments payable on each Payment Date in such Assessment Year. The amount of the Assessment Installment payable with respect to each parcel of the Property on each such Payment Date shall be reduced by a proportionate share of the Semiannual Credit Amount, such share to be in the same proportion to the whole of the Semiannual Credit Amount as the unpaid and non-delinquent principal of the Assessment levied on such parcel is to the whole of the unpaid and non-delinquent principal of the Assessment levied on the Property. Notwithstanding

the foregoing, an amount equal to the Initial Semiannual Credit Amount shall be credited against the aggregate Assessment Installments payable on October 1, 2021 and April 1, 2022.

The assessment bills shall reflect such reduction in the amount of the Assessment Installment payable on each Payment Date. Any Assessment Installment, the amount payable with respect to which on any Payment Date is reduced pursuant to this Section, shall for all purposes be deemed to have been paid on such Payment Date in an amount equal to such reduction.

D. The owner of any Property assessed and not in default as to any Assessment Installment or payment may, at any time (at the option of such owner), pay the whole or any portion of the unpaid principal with interest accruing thereon to the next Payment Date, together with a prepayment premium equal to three percent (3%) of the principal amount so prepaid. If the Bonds (or any bonds issued to refund the Bonds) may then be redeemed without the payment of any premium, the City, in its sole discretion, may waive the requirement of payment of the prepayment premium. No waiver for a particular prepayment premium shall be deemed to be a waiver for any other prepayment premium. The owner of any assessed property may, at any time, request the City to provide information as to the total amount which will be due in connection with a proposed prepayment of an Assessment by such owner and the City will promptly (but in any event within five (5) business days) provide such information to the owner. After any partial prepayment of an assessment or refunding of the Bonds pursuant to NRS 271.488, the City Treasurer shall reamortize the Assessment Installments due on the parcel on which the partial prepayment was made or, in the case of a refunding, on all parcels, so that the remaining Assessment Installments are semiannual substantially level installments of principal and interest with a final due date of April 1, 2051.

E. The Assessment against a portion of Property shall be reduced by the amount of any credits available for such Assessment that are applied as a result of the voluntary prepayment thereof in whole or part as provided in the Indenture. This section does not prevent the City from amending this Ordinance, the Financing Agreement, the Landowner Agreements or any other documents executed in connection with the Bonds to provide for other uses of the interest earned on Bond proceeds, any excess Bond proceeds or the reserve fund established for the Bonds (the "Reserve Fund") in connection with a refunding of the Bonds; and the owners of the property assessed in the District have no entitlement to payment of any

amounts representing interest earned on Bond proceeds, any excess Bond proceeds or the Reserve Fund in the event of such an amendment.

F. The City Treasurer shall, within eight (8) City business days after the end of each calendar month in which Assessment Installments are received, transfer such Assessment Installments to the Trustee for deposit in the Assessment Revenue Fund; provided, however, that any Assessment Installments received during the period from May 1 to May 15 shall be transferred by the City Treasurer to the Trustee no later than May 31 and any Assessment Installments received during the period from November 1 to November 15 shall be transferred by the City Treasurer to the Trustee no later than November 30.

Section 6. The amounts assessed as provided in this Ordinance shall be a lien upon the lots, tracts and parcels of land assessed from the effective date of this Ordinance until paid. Pursuant to NRS Section 271.420, such lien shall be co-equal with the latest lien upon the lots, tracts and parcels to secure the payment of general taxes, shall not be subject to extinguishment by the sale of any property on account of the nonpayment of general taxes, and shall be prior and superior to all liens, claims, encumbrances and titles other than the lien of assessments and general taxes. The sale of any such lot, tract or parcel of land for general or other taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor. Such amounts shall continue to be a lien upon the lots, tracts and parcels of land assessed until paid in full (including all principal and the interest thereon, and any penalties and collection costs).

Section 7. If any parcel of Property is divided after the effective date of this Ordinance and before the collection of all of the Assessment Installments, the Council may require the City Treasurer to apportion the uncollected amounts upon the several parts of land so divided.

A. Apportionments of Assessments shall be made in accordance with the method specified in the Engineer's Report.

B. In accordance with NRS 271.425, the City Treasurer shall prepare, or cause a Qualified Engineer to prepare, a report of such apportionment which, when approved by the City Council, shall be recorded in the office of the Clark County Recorder, together with a statement that the current payment status of any of the Assessments may be obtained from the City Treasurer. Neither the failure to record the report nor any defect in the report as recorded

shall affect the validity of the assessments, the lien for the payment thereof or the priority of that lien.

C. The report of such an apportionment, when approved, shall be conclusive on all the parties, and all Assessments thereafter made upon the tracts shall thereafter be according to the subdivision.

Section 8. The City may also reapportion assessments on tracts (whether currently within the District or latter added to the District) with the consent of property owners whose assessment will be increased thereby pursuant to NRS 271.425(3) or NRS 271.710(2), subject to the following restrictions:

A. The City Council shall not make a finding that a proposed combination or reapportionment of Assessments pursuant to subsection 2 or subsection 3 of NRS 271.425 will not materially or adversely impair the obligation of the City with respect to Outstanding Bonds unless the City Council first obtains a written report of a Qualified Engineer certifying that, based on a Qualified Appraisal Report, the Value to Lien Ratio (including in the calculation thereof any increase in the Assessment on any parcel as a result of such combination or reapportionment) for each parcel of the Property, if any, on which Assessments are combined and each parcel of the Property, if any, on which Assessments are increased as a result of such reapportionment is at least three (3) to one (1). The City Council shall be entitled to rely on such written report of a Qualified Engineer in making such finding, and such written report of a Qualified Engineer shall be conclusive evidence that such proposed combination or reapportionment of Assessments pursuant to subsection 2 or subsection 3 of NRS 271.425 will not materially or adversely impair the obligation of the City with respect to Outstanding Bonds. The City Council shall not make the finding described in subsection 4(b) of NRS 271.425 unless the City Council first obtains a written report of a Qualified Engineer stating that the proposed combination or reapportionment of Assessments pursuant to subsection 2 or subsection 3 of NRS 271.425 will not increase the principal balance of any Assessment to an amount such that the aggregate amount which is assessed against a tract exceeds the minimum benefit to the tract that is estimated to result from the project which is financed by the Assessment. The City Council shall be entitled to rely on such written report of a Qualified Engineer in making such finding, and such written report of a Qualified Engineer shall be conclusive evidence that such proposed combination or reapportionment of Assessments pursuant to subsection 2 or subsection 3 of NRS

271.425 will not increase the principal balance of any Assessment to an amount such that the aggregate amount which is assessed against a tract exceeds the minimum benefit to the tract that is estimated to result from the project which is financed by the Assessment. Notwithstanding the foregoing, no combination or reapportionment of Assessments pursuant to subsection 2 or subsection 3 of NRS 271.425 shall be made unless, as of the effective date of such combination or reapportionment, there are no delinquencies in the payment of Assessment Installments on any parcel of property on which Assessments will be increased as a result of such combination or reapportionment.

Section 9. In case any such lot, tract or parcel of land so assessed is delinquent in the payment of such assessment or any installment of principal or interest, the City Treasurer promptly (but in no event later than 60 days after the installment due date) shall mark the Assessment Installment delinquent on the Assessment Roll for the District and shall notify the owner of such delinquent property, if known, in writing of such delinquency, by first class mail, postage prepaid, addressed to the addressee's last-known address.

A. Said Assessment shall be enforced by the City Treasurer and other officers of the City, as provided in NRS 271.545 to 271.630, and the Assessment Roll and certified copy of this Ordinance shall be prima facie evidence of the regularity of the proceedings.

B. Except as herein provided, failure to pay any Assessment Installment, whether of principal or interest, when due shall cause the whole amount of the unpaid principal of such Assessment to become due and payable immediately, at the option of the City, the exercise of said option shall be indicated by the commencement of foreclosure or sale proceedings by the City. The whole amount of the unpaid principal and the interest that has accrued thereon shall, commencing fifteen (15) days after the date on which the delinquent Assessment Installment became due, whether or not the option to accelerate the due date for the payment of the unpaid principal is exercised, bear a penalty at the rate of two percent (2%) (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the Assessment and accrued interest, until the day of the foreclosure sale or until paid; provided that, at any time prior to the day of such sale, the owner of any such lot or parcel may pay the aggregate amount of all of the delinquent Assessment

Installments originally becoming due on or before the date of said payment, with accrued interest thereon and all penalties and costs of collection accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if a default had not been suffered.

C. If any such collection is not promptly enforced by the City, the registered owner of any Bond may file and prosecute a foreclosure action in the name of the City. The registered owner of any Bond may also proceed against the City to protect and enforce the rights of the registered owners of the Bonds under this Ordinance and the Act by suit, action or special proceedings in equity or at law, either for the appointment of a receiver or for the specific performance of any provision contained herein or in the Act or in an award of execution of any power herein granted for the enforcement of any proper legal or equitable remedy as such registered owner of a Bond may deem most effectual to protect and enforce the rights aforesaid. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all owners of the Bonds then outstanding. The failure of the registered owners of the Bonds so to foreclose upon the property which is the subject of such delinquent assessments or so to proceed against the City, or both, shall not relieve the City or any of its officers, agents or employees of any duty so to take the actions hereinabove set forth.

Section 10. The City shall not levy Parity Assessments against the Property, or any portion thereof, unless the Value to Lien Ratio of each parcel of the Property, or the portion thereof against which such Parity Assessment is proposed to be levied, will be, immediately after such levy, no less than three (3) to one (1).

Section 11. The City Clerk is hereby directed to deliver to the County Assessor, the County Recorder and the City Treasurer, a copy of the final Assessment Roll containing a description of the lots, tracts and parcels of land being assessed, with the amount of the assessment levied upon each and the name and address of the owner against whom the assessment was made, together with a statement that the current payment status of any of the assessments may be obtained from the City Treasurer. Neither the failure to record the Assessment Roll as provided in this Section, nor any defect in the roll as recorded shall affect the validity of the assessments, the lien for the payment thereof or the priority of that lien. The City Treasurer is hereby directed to collect the amounts assessed as a tax upon the lots, tracts and parcels of land assessed.

Section 12. In accordance with NRS 271.390(2), the City Clerk shall give written notice of the levy of assessments by mailing a copy of such notice, postage prepaid, either before or promptly after the effective date of this Ordinance, to the owners of all property upon which the assessment was levied at their last-known addresses. Proof of such mailing shall be made by the affidavit of the City Clerk, provided, however, that failure to mail any such notice or notices shall not invalidate any assessment or any other proceedings concerning the District. Proof of the mailing shall be maintained in the permanent records of the office of the City Clerk until all special assessments and all Bonds shall have been paid in full, as to both principal and interest, or until any claim is barred by an appropriate statute of limitations. The Council hereby determines that the manner of giving notice herein provided by mail is reasonably calculated to inform the parties of the proceedings concerning the District and the levy of assessments which may directly and adversely affect their legally protected interests.

Section 13. The notice provided for in NRS 271.390(2) and in Section 12 of this Ordinance shall be in substantially the following form:

(Form of Notice)

**NOTICE TO PROPERTY OWNERS OF THE LEVY OF ASSESSMENTS FOR  
IMPROVEMENTS IN THE CITY OF LAS VEGAS, NEVADA,  
SPECIAL IMPROVEMENT DISTRICT NO. 816  
(SUMMERLIN VILLAGE 22)**

NOTICE IS HEREBY GIVEN to the owners of all property upon which an assessment has been levied that, by an ordinance duly passed, adopted, signed and approved on July 21, 2021 (the "Ordinance"), there were levied and assessed against the lots, tracts and parcels of land specially benefited by the local improvements in what is designated as the "City of Las Vegas, Nevada, Special Improvement District No. 816 (Summerlin Village 22)" (said lots, tracts and parcels of land being more specifically described in the assessment roll designated in the Ordinance), the costs and expenses of such improvements.

The assessments are payable at the times and in the amounts specified in the Ordinance. Failure to pay any installment, whether of principal or interest, when due shall cause the whole amount of the unpaid principal of such assessment to become due and payable immediately at the option of the City, the exercise of said option shall be indicated by the commencement of sale proceedings by the City. The whole amount of the unpaid principal and the interest that has accrued thereon shall, commencing fifteen (15) days after the date on which the delinquent installment became due, whether or not the option to accelerate the due date for the payment of the unpaid principal is exercised, bear a penalty at the rate of 2% (or at any higher rate authorized by statute, or any lower rate, which may be zero percent, for such period as determined by the City Treasurer) per month (not prorated for any portion of the month) on the unpaid balance of the assessment and accrued interest, until the day of the foreclosure sale or until paid; provided that, at any time prior to the day of such sale, the owner of any such lot or parcel may pay the aggregate amount of all of the delinquent installments originally becoming due on or before the date of said payment, with accrued interest thereon and all penalties and costs of collection accrued, and shall thereupon be restored to the right thereafter to pay in installments in the same manner as if a default had not been suffered.

Pursuant to NRS 271.395, within 15 days after the effective date of the Ordinance, any person who has filed a complaint, protest or objection in writing may commence an action or suit in any court of competent jurisdiction to correct or set aside such determination.

Thereafter all actions or suits attacking the regularity, validity and correctness of the proceedings, of the assessment roll, of each assessment contained in the assessment roll, and of the amount of the assessment levied on each lot, tract and parcel of land, including without limiting the generality of the foregoing, the defense of confiscation, are perpetually barred.

The amounts assessed as aforesaid constitute a lien upon said lots, tracts and parcels of land from July 25, 2021, which lien shall be coequal with the latest lien thereon to secure the payment of general (ad valorem) taxes and prior and superior to all other liens, claims, encumbrances and titles (other than the liens of assessments and general (ad valorem) taxes). The sale of any such lot, tract or parcel of land for general (ad valorem) taxes shall not relieve such lot, tract or parcel of land from such assessment or the lien therefor.

DATED this July 21, 2021.

Section 14. The officers of the City are authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including without limiting the generality of the foregoing, the preparation of all necessary documents, legal proceedings and other items necessary or desirable for the issuance of the Bonds.

Section 15. All ordinances, bylaws, resolutions and orders, or parts thereof, in conflict with the provisions of this Ordinance are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any ordinance, bylaw, resolution or order, or part thereof, previously repealed.
