

SPECIAL EVENT PARKING FEE WAIVER POLICY

The determination of eligibility for fee waivers under this policy for particular events will depend on the event organizer or sponsor's status as either a nonprofit or "for-profit" entity. Qualification by the sponsor or organizer as "nonprofit" requires evidence of 1) exemption from taxes under Section 501(c) of the Internal Revenue Code, 2) qualification as an "organization created for religious, charitable or educational purposes" under NRS 372.3261, or 3) Qualification as a "Corporation for public benefit" defined under NRS 82.021. The City's special events team and the City Manager's Office will determine qualification of "nonprofit" status. Event sponsors or organizers that do not qualify themselves as "nonprofit" under the standards above will be considered "for-profit" regardless of such status for any other purpose.

ON-STREET METERS

The basis/goal for this category is compensation for lost revenues and the expense of closing off spaces and bagging meters, as well as the partial offsetting of other costs.

Nonprofit: 50% (fifty percent) discount on For-Profit Rate
For-profit: Revenue replacement + meter bag/barricade fee

SYMPHONY PARK AND 500 S. MAIN STREET GARAGES

The basis/goal for this category is that parking revenue at market rates helps to offset operational costs, but in recognition of those with nonprofit status, a discounted rate has been negotiated with The Smith Center.

Nonprofit: \$6.00 (six dollars and zero cents)
For-profit: \$10.00 (ten dollars and zero cents) or higher, as posted

NEONOPOLIS AND CITY CENTRE GARAGES

The basis/goal for this category is that parking revenue at market rates helps to offset operational costs, but in recognition of those with nonprofit status, a discount is offered to partially offset costs.

Nonprofit: 50% (fifty percent) discount on For-Profit Rate
For-profit: No discount, rates as posted

CASHMAN SPORTS COMPLEX

The basis/goal for this category is that parking revenue at market rates helps to offset operational costs, but in recognition of those with nonprofit status, a discount is offered to partially offset costs. Because large-scale charitable events serving the community are generally directed to this location, the City Manager's Office may choose to authorize additional discounts.

*Nonprofit: 50% (fifty percent) discount on For-Profit Rate (or lower with City Manager approval)
*For-profit: \$3.00 (three dollars and zero cents) per space

LEASED LOTS

The basis/goal for this category is that parking revenue at market rates helps to offset operational costs, however, City lease agreements with private lot owners generally prohibit discounted parking. All requests for discounts will be subject to landlord approval.

Nonprofit: As posted
For-profit: As posted
Lot rentals: Revenue replacement + bag/barricade fee or owner closure

*Deposit is required for both nonprofit and for-profit sponsors/organizers at an amount to be determined at the time of rental.
