**Re: Mater Academy East Phase III
Vacation Justification (CLV#L21-02266)
Lochsa Project No.**

To Whom It May Concern:

Lochsa Engineering is submitting an application to vacate the existing Right-of-Way for a Bus turn-out in conjunction with improvements for Mater Academy Phase III High School addition (Assessor's Parcel Number 140-30-401-011). The current location of the bus turn-out sits in the middle of an existing driveway. A new location for the bus turn-out has been approved by Public Works. The ROW dedication for the new bus turn-out is pending vacation submittal.
