ADDENDUM A

Solutions Agreement

This Cartegraph Solutions Agreement ("Agreement") is a contract between Cartegraph Systems LLC, a Delaware corporation, having its principal place of business at 3600 Digital Drive, Dubuque, Iowa 52003 ("Cartegraph" or "Company") and you, or if you represent an entity or other organization, that entity or organization, (in either case, the "Customer"). Cartegraph and Customer may be referred to in this Agreement collectively as the "parties" or individually as a "party."

Cartegraph provides certain hosted operations management and asset management solutions (the "Cartegraph Solutions" or "Solutions"). Customer desires to purchase a subscription to access and use certain of the Cartegraph Solutions for Customer's own internal use and operations.

This Agreement sets forth the terms and conditions under which Cartegraph will agree to provide Customer with a subscription to access and use those Solutions specified in written Purchase Agreements referencing this Agreement entered into by Cartegraph and Customer (each, a "Purchase Agreement") and perform those services specified in each Purchase Agreement (the services provided by Cartegraph under this Agreement, including the services made available through the Solutions, the "Services"). All access to and use of the Solutions and the performance of all Services are subject to the terms of this Agreement.

This Agreement includes any Purchase Agreement entered into by the parties referencing this Agreement and any written Addendum attached to a Purchase Agreement, including descriptions of any Solutions or Services (each, an "Addendum"), all of which are hereby incorporated into and made a part of this Agreement. Unless you later enter into any other Agreement with Cartegraph regarding the Solutions and Services, this Agreement is the complete and exclusive statement of the agreement between the parties and supersedes any proposal or prior agreement, oral or written, and any other communications between the parties, in relation to the subject matter of this Agreement. Terms used in this Agreement will have the definitions given in this Agreement or, if not defined in this Agreement, will have their plain English (US) meaning.

PLEASE CAREFULLY READ THIS AGREEMENT. BY ACCEPTING THIS AGREEMENT, THROUGH THE EXECUTION OF A PURCHASE AGREEMENT THAT REFERENCES THIS AGREEMENT, OR BY CLICKING A BOX THAT STATES THAT YOU ACCEPT OR AGREE TO THIS AGREEMENT, YOU AGREE THAT YOU HAVE READ AND AGREE TO BE BOUND BY THIS AGREEMENT. IF YOU DO NOT AGREE TO THIS AGREEMENT, OR DO NOT MEET THE QUALIFICATIONS INCLUDED IN THIS AGREEMENT OR ANY PURCHASE AGREEMENT, CARTEGRAPH IS NOT WILLING TO PROVIDE YOU, AS CUSTOMER, WITH ACCESS TO OR USE OF CARTEGRAPH SOLUTIONS OR SERVICES, AND YOU MUST NOT ACCESS OR USE CARTEGRAPH SOLUTIONS OR SERVICES. IF YOU ACCESS OR USE CARTEGRAPH SOLUTIONS OR SERVICES, YOU ACKNOWLEDGE THAT YOU MEET THE QUALIFICATIONS INCLUDED IN THIS AGREEMENT AND ANY PURCHASE AGREEMENT, AND AGREE TO BE BOUND BY THE TERMS AND CONDITIONS HEREIN.

1. TERM.

The term of this Agreement shall begin upon the execution of an initial Purchase Agreement under this Agreement and, unless earlier terminated as permitted herein, shall continue for the period of time specified in that Purchase Agreement ("Initial Term"). The execution of any subsequently added Purchase Agreement under this Agreement shall not extend the Initial Term unless otherwise expressly stated in that Purchase Agreement. Unless otherwise stated in an applicable Purchase Agreement under this Agreement, the Initial Term of this Agreement shall only renew for successive additional 1 year renewal periods (each, a "Renewal Term") if both parties agree in writing

210227-DG-B Asset Data Collection Cartegraph SAAS

to such a renewal at least 60 days before the end of the Initial Term or any such Renewal Term.

2. SOLUTIONS.

2.1 FUNCTIONALITY.

The Solutions will include the functionality described in the applicable Purchase Agreement or Addendum for each Solution. Cartegraph may from time to time update, change, or revise the functionality of the Solutions, provided the functionality of the Solutions is not materially decreased from that described in the applicable Purchase Agreement or Addendum to a Purchase Agreement.

2.2 SUBSCRIPTION.

Subject to the terms and conditions of this Agreement, during the term of this Agreement Cartegraph will provide Customer with a non-exclusive, non-transferable, and non-sublicensable subscription to allow employees and independent contractors of Customer ("Users") to access and use the Solutions, solely for purposes of Customer's own internal use and operations. If Customer has purchased a per-user subscription, as indicated in the applicable Purchase Agreement, only the finite number of subscriptions indicated in each applicable Purchase Agreement have been purchased by Customer and only that finite number of Users may access and use the Solutions at any given time. If Customer has purchased an unlimited subscription, as indicated in the applicable Purchase Agreement, all Users associated with Customer are permitted to access and use the Solutions at any given time. In either case, the subscription applies only to the Users and does not allow access to or use of the Solutions by any affiliated entities or organizations, or any other entity unless approved in advance by Cartegraph in writing.

2.3 ACCESS.

Customer may access the Solutions solely through the account established for Customer (an "Account"). Customer will be permitted to establish user identifications and passwords through which individual Users may access the Solutions through Customer's Account ("User IDs"). Each User ID is issued to a specific User and may be used only by that User. Customer will ensure that all information about each User provided to Cartegraph in connection with establishing each User ID is accurate and complete and will maintain that information as accurate and complete throughout the term of this Agreement. Customer is and will remain solely responsible for all use of the Solutions by any User and for compliance by each User with the applicable terms of this Agreement. If Customer authorizes an independent contractor or consultant as a User, in addition to being responsible for such independent contractor's or consultant's actions as a User, Customer shall also require such independent contractor or consultant to agree to terms at least as protective of the Solutions as those contained in this Agreement prior to being granted access to the Solutions. Customer will ensure the security and confidentiality of each User ID and will use commercially reasonable efforts to prevent unauthorized access to or use of the Solutions. Customer will notify Cartegraph promptly of any such unauthorized access or use of the Solutions or if any User ID is lost, stolen, or otherwise compromised. Customer acknowledges that Customer is and will remain fully responsible for all costs, fees, liabilities, or damages incurred through any access to or use of the Solutions through Customer's Account or by any User (whether lawful or unlawful) and that any Services used or transactions facilitated through Customer's Account or under any User ID will be deemed to have been completed by Customer. In no event will Cartegraph be liable for the foregoing obligations or any failure by Customer to fulfill such obligations.

2.4 RESTRICTIONS.

The Solutions, the software, hardware, databases, and other technology used by or on behalf of Cartegraph to provide the Solutions (the "Cartegraph Technology"), and their structure, organization, and underlying data, information, and source code, constitute valuable trade secrets of Cartegraph and its licensors. As a condition to the use of and access to the Solutions, Customer will not, and will not permit any User or other third party to: (a) access or use the Solutions except as expressly permitted by this Agreement; (b) access or use the Cartegraph Technology directly, except through the Solutions as expressly provided in this Agreement; (c) use the Solutions in any unlawful or illegal manner or in any other manner that could damage, disable, overburden or impair the Cartegraph Technology; (d) use automated scripts to collect information from or otherwise interact with the Cartegraph Technology; (e) alter, modify, reproduce, create derivative works of the Cartegraph Technology; (f) distribute, sell, resell, lend, loan, lease, license, sublicense, transfer, or otherwise make available the Solutions or any of Customer's rights to access or use the Solutions or any Service to any third party; (g) reverse engineer, disassemble, decompile, or otherwise attempt to derive the source code or method of operation of or any trade secrets embodied in the Cartegraph Technology; (h) attempt to circumvent or overcome any technological protection measures intended to restrict access to any portion of the Cartegraph Technology; (i) use the Cartegraph Technology for purposes of monitoring their availability, performance or functionality, or for any other benchmarking, business intelligence, data mining, or competitive purposes; or (j) interfere in any manner with the operation or hosting of the Cartegraph Technology.

2.5 THIRD PARTY OFFERINGS.

Customer agrees and acknowledges that certain portions of the Solutions may be provided by third party providers ("Third Party Offerings"). Customer's access to and use of any Third Party Offering is also subject to any other agreement separate from this Agreement that Customer may enter into (or may have entered into) relating to those Third Party Offerings ("Third Party Terms"). In addition to the terms of this Agreement, access to and use of each Third-Party Offerings is also subject to the terms and conditions of any Third-Party Terms applicable to that Third Party Offering. Except as set forth in this Agreement, any applicable Third-Party Terms will control in the event of a conflict between the terms of this Agreement and those Third-Party Terms. Except as expressly set forth in any Third-Party Terms, You are granted no licenses or rights, whether by implication, estoppel, or otherwise, in or to any Third Party Offerings.

3. SERVICES.

If Customer enters into a Purchase Agreement, including any applicable Addendum specifying any of the following Services, Cartegraph will use commercially reasonable efforts to provide those Services to Customer during the term of this Agreement. All such Services are provided subject to the terms and conditions of this Agreement. Cartegraph has no obligation to provide any of the following Services unless specified in a Purchase Agreement or Addendum to this Agreement. The Company further warrants that the Services and Solutions will be free of harmful code such as viruses, Trojan horses, worms, time bombs, malware, or other harmful computer code, file or program (including without limitation password guessing programs, decoders, password gatherers, keystroke loggers, cracking tools, and the like/or encryption circumvention programs).

3.1 ON-SITE INSTALLATION SERVICES.

Cartegraph will provide Customer with deployment and installation Services for the Solutions if indicated in a Purchase Agreement ("On-Site Installation Services"). On-Site Installation Services will be subject to scheduling in cooperation with Customer. Customer will provide all equipment and hardware stated in such Purchase Agreement, and any additional equipment and hardware reasonably necessary for the operation of the Solutions. Customer shall be responsible for maintaining the equipment and hardware, which shall include providing sufficient resources (e.g., electricity, HVAC, or other resources) necessary for the equipment and hardware to properly operate. Cartegraph's warranties and indemnification obligations contained in this Agreement shall be limited to the extent that such obligation arises from Customer's equipment and hardware. Customer shall

coordinate with Cartegraph to provide Cartegraph with the level of access to the equipment and hardware to perform On-Site Installation Services and any other Services as specified in a Purchase Agreement. If no level of access is specified in a Purchase Agreement, then all access by Cartegraph to the equipment and hardware shall be remote access. Unless otherwise specified in a Purchase Agreement, Cartegraph shall have no obligation to perform the On-Site Installation Services, or any other Services, on Customer's premises. If Cartegraph determines that it is necessary to perform any Services on Customer's premises, Cartegraph shall first receive approval from Customer prior to performing such Services on Customer's premises. Cartegraph shall have no responsibility to Customer for any liability to the extent that such liability arises from Customer's failure to provide Cartegraph sufficient or timely access to the equipment or hardware. Customer understands that Customer does not receive any rights to the Cartegraph Technology separate and apart from Customer's right to access the Solutions installed on-site by Cartegraph as described in this Agreement. If Customer requires additional rights to access the Solutions, Customer shall obtain Cartegraph's prior written consent. Upon termination or expiration of this Agreement, Customer will immediately either return to Cartegraph or, at Cartegraph's discretion, destroy any Cartegraph Technology then in Customer's possession or control and certify in writing signed by an officer of Customer that it has fully complied with the foregoing obligations.

3.2 SUPPORT SERVICES.

Cartegraph will provide Customer with support Services for the Solutions as specified in Addendum A if such Addendum is attached to a Purchase Agreement ("Support Services").

3.3 ON-SITE INSTALLATION SERVICES.

3.5 PROFESSIONAL SERVICES.

Cartegraph will perform any additional professional Services relating to the Solutions ("Professional Services") if specified in any written statement of work mutually agreed to by both parties under this Agreement. Cartegraph will perform all Professional Services at the rates for those Professional Services set forth in each applicable statement of work, or, if no rates are set forth in an applicable statement of work, at Cartegraph's then-current rates for those Professional Services. Professional Services shall be performed during the working hours stated in the statement of work applicable to those Professional Services, or, if no working hours are stated, the Professional Services will be provided during the hours of 7:00 a.m. to 7:00 p.m., Central Standard or Central Daylight Time, whichever is applicable, Monday through Friday excluding holidays.

4. SOFTWARE.

Cartegraph may provide Customer with software in connection with the Solutions ("Software"). Unless any Software provided by Cartegraph in connection with the Solutions is subject to a license or other agreement separate from this Agreement that Customer has entered into (or may enter into) with Cartegraph (a "Software License Agreement"), Cartegraph grants Customer a limited, non-exclusive, non-transferrable, non-assignable, license solely to install and execute the Software in accordance with the instructions provided by Cartegraph for

Customer's own internal use and operations in connection with Customer's access to and use of the Solutions. Except as expressly set forth in the foregoing sentence (or any applicable Software License Agreement), Customer is granted no licenses or rights, whether by implication, estoppel, or otherwise, in or to any Software, and Customer may not modify, reproduce, perform, display, create derivative works from, republish, post, transmit, transfer, sell, distribute, or in any way exploit any Software without the prior written permission of Cartegraph. Except as set forth in this Agreement, the terms of any Software License Agreement will control in the event of a conflict between the terms of this Agreement and that Software License Agreement. Prevention of audit by Customer may be grounds for termination of this Agreement. Cartegraph and its licensors will not be responsible to Customer for loss of use of any Software or for any other liabilities arising from alterations, additions, adjustments, or repairs which are made to any Software by Customer or other third parties. Cartegraph reserves the right to terminate the licenses granted to any Software or any Services provided in connection with that Software upon written notice to Customer if any such alteration, addition, adjustment, or repair adversely affects Cartegraph's ability to render Services.

5. FEES AND PAYMENT.

5.1 FEES.

All Fees will be non-refundable once paid to Cartegraph (including upon any termination or suspension of this Agreement). If Cartegraph requires use of collection agencies, attorneys, or courts of law for collection on Customer's account, Customer will be responsible for those expenses. The Parties do not waive and intend to assert all available NRS Chapter 41 liability limitations in all cases. Any liability of either party shall not be subject to punitive damages. Each party shall bear its own attorneys' fees and court costs in connection with any legal proceeding hereunder. This section shall survive any termination or natural expiration of this Agreement.

8.4 DATA PRIVACY.

Cartegraph may use and disclose data and information collected through the operation of the Solutions solely as described in this Agreement and in Cartegraph's then-current privacy policy applicable to the Solutions. Notwithstanding anything to the contrary in the privacy policy, Cartegraph will have the right to collect and analyze non-personal information (data or information that does not identify an entity or natural person as the source thereof) resulting from Customer's access to and use of the Solutions. To the extent any such non-personal information is collected or generated by Cartegraph, the data and information may be used by Cartegraph, or its permitted service providers, for any lawful business purpose, provided that the data and information is used only in an aggregated form, without directly identifying Customer, or any other User, as the source thereof.

11.1 GENERAL.

Up to the limitation of law, including but not limited to NRS Chapter 41, each party (the "Indemnifying Party") will indemnify, defend and hold harmless the other party and its officers, directors, employees, and agents (its "Related Parties") from and against any claim, allegation or action (any "Action") brought against the other party or one of its Related Parties by a third party (other than by the other party itself or another of its Related Parties) to the extent relating to, resulting from, or arising out of the gross negligence or willful misconduct of the Indemnifying Party in the performance (or failure to perform) any of its obligations under this Agreement. The Indemnifying Party will further pay those losses, liabilities, damages, fees, expenses, and costs (including reasonable attorneys' fees and court costs) ("Losses") finally awarded against the other party or one of its Related

If Customer is, or Cartegraph reasonably believes Customer may be, enjoined from using any Covered Service due to an Action covered by this Section, Cartegraph may procure the right for Customer to continue using the Covered Service, replace or modify the Covered Service so that it becomes non-infringing, or terminate this Agreement and provide Customer a refund of any pre-paid amounts applicable to the Covered Service (if any). 11.3 BY CUSTOMER.

Up to the limitation of law, including, but not limited to, NRS Chapter 41 liability limitations, the Customer shall be responsible for all liability, claims, actions, damages, losses, and expenses to the extent relating to, resulting from, or arising out of the negligence, errors, omissions, recklessness, or intentional misconduct of its own officers, employees, and agents or for : (a) any violation of any Law caused by the use of or access to the Solutions by Customer; or (b) any claim or allegation by a User or other third party relating to use of or access to the Solutions or any Services by Customer. EACH PARTY AGREES THAT THE FEES REFLECT THE ALLOCATION OF RISK SET FORTH IN THIS AGREEMENT AND ACKNOWLEDGE THAT EACH PARTY WOULD NOT ENTER INTO THIS AGREEMENT WITHOUT THESE LIMITATIONS ON ITS LIABILITY. IN JURISDICTIONS WHERE LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES IS NOT PERMITTED, EACH PARTY'S LIABILITY IS LIMITED TO THE MAXIMUM EXTENT PERMITTED BY LAW.

13. INSURANCE.

If Cartegraph will provide Services at Customer's location, Cartegraph will carry commercial general liability insurance with a limit of \$1,000,000 per occurrence and a \$2,000,000 aggregate limit, business auto liability insurance with a limit of \$1,000,000 and workers compensation insurance with statutory coverage.

Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by Cartegraph in this Agreement and shall include, but not be limited to, claims involving invasion of privacy violations, information theft, damage to or destruction of electronic information, release of confidential information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines and penalties (to the extent insurable by law) as well as credit monitoring expenses with limits sufficient to respond to these obligations. Such coverage shall be in a minimum amount of \$1,000,000 in the aggregate, for the period of time covered by this Agreement.

The Company must provide compliant certificates of insurance and required endorsements to the Customer or its designated certificate tracking service immediately upon request. 14. CONFIDENTIALITY.

14.1 PROTECTION.

The parties expect to share information with each other related to the business and activities identified in this agreement ("Purpose"). Each party (the "Receiving Party") may from time to time receive or otherwise obtain data or information regarding the business, finances, services, or technology of the other party (the "Disclosing Party"), including, without limitation, technical, sales, financial, employee, customer, and planning information, or any other information that by its very true nature the Receiving Party should know is confidential ("Confidential Information"). The Receiving Party will not use any Confidential Information of the Disclosing Party for any purpose not expressly permitted by this Agreement, and will disclose the Confidential Information of the Disclosing Party only to the employees or permitted contractors of the Receiving Party who have a need to know such Confidential Information for purposes of this Agreement and who are under a duty of confidentiality no less restrictive than the Receiving Party's duty hereunder. The Receiving Party will protect the Disclosing Party's Confidential Information in the same manner as the Receiving Party protects its own confidential information of a similar nature and with no less than reasonable care.

14.2 CONFIDENTIAL OR PROPRIETARY INFORMATION.

Confidential Information means all trade secrets or proprietary information conveyed by one party to the other as defined below. Each party will hold in confidence, and will not disclose to any unauthorized personnel, any Confidential Information of the other party. Each party will use such Confidential Information only for the Purpose for which it is intended. Each party deems all software and related documentation provided by the other party to be Confidential Information.

For purposes of this Agreement, "Confidential Information" means, to the extent permitted by law, any data or information that is proprietary to the Disclosing Party and not generally known to the public, whether in tangible or intangible form, whenever and however disclosed, including, but not limited to: (i) any marketing strategies, plans, financial information, or projections, operations, sales estimates, business plans and performance results relating to the past, present or future business activities of such party, its affiliates, subsidiaries and affiliated companies; (ii) plans for products or services, and customer or supplier lists; (iii) any scientific or technical information, invention, design, process, procedure, formula, improvement, technology or method; (iv) any concepts, reports, data, know-how, works-in-progress, designs, charts, databases, inventions, information and trade secrets; AND (a) any information marked "Confidential" or "Proprietary" or the like; and (b) any other information that should reasonably be recognized by Receiving Party as Confidential Information of the Disclosing Party. Confidential Information need not be novel, unique, patentable, copyrightable or constitute a trade secret in order to be designated Confidential Information.

Information which is orally or visually disclosed by one party to the other, or is disclosed in writing without an appropriate letter, proprietary stamp or legend, will constitute Confidential Information of the releasing party if: (a) it would be apparent to a reasonable person, familiar with the business of the releasing party and the industry

in which it operates, that such information is of a confidential or proprietary nature; or (b) The releasing party, within thirty (30) days after such disclosure, delivers to the receiving party a written document describing such information and referencing the place and date of such oral, visual, or written disclosure, and the names of receiving party personnel to whom such disclosure was made.

Each party agrees not to use any confidential or proprietary information received by it under this Agreement for any purpose other than the Purpose. Except as otherwise permitted hereunder, each party agrees not to disclose any Confidential Information received by it under this Agreement to any third party and shall limit its disclosure to its employees having a need to know such information. Each party will adopt and maintain programs and procedures which are reasonably calculated to protect confidential or proprietary information, and will be responsible to the other party for any unauthorized disclosure or misuse of confidential or proprietary information which results from a failure to comply with this provision. Each party will promptly report to the other party any actual or suspected violation of the terms of this Agreement and will take all reasonable further steps requested by and at the expense of the offended party to prevent, control, or remedy any such violation.

The Customer is a public agency as defined by state law. As such, it is subject to the Nevada Public Records Law (Chapter 239 of the Nevada Revised Statutes). The Customer's Records are public records, which are subject to inspection and copying by any person (unless declared by law to be confidential). This Agreement and all supporting documents are deemed to be public records.

14.3 LIMITATION ON OBLIGATIONS.

The Receiving Party's obligations with respect to any Confidential Information of the Disclosing Party will terminate if such information: (a) was already lawfully known to the Receiving Party as of the Effective Date; (b) is disclosed to the Receiving Party after the Effective Date by a third party who had the right to make such disclosure without any confidentiality restrictions; or (c) is, or through no fault of the Receiving Party becomes, generally available to the public. The Receiving Party may disclose the Confidential Information of the Disclosing Party if compelled or required to do so by a court of competent jurisdiction or other governmental entity having jurisdiction over the Receiving Party, provided that the Receiving Party provides the Disclosing Party with notice of such requirement and provides reasonable assistance to the Disclosing Party in any attempts to contest such disclosure or obtain a protective order or other applicable limitation with respect to such disclosure. In any event, the Receiving Party will disclose only such portion of any Confidential Information as it is legally compelled or required to disclose.

14.4 OWNERSHIP OF SOFTWARE AND INTELLECTUAL PROPERTY.

Each party is, and will remain, the exclusive owner, or is the authorized agent of the owner, of its software and other Confidential Information. All patent, copyright, trade secret, trademark, and other intellectual property rights remain solely with the party. No license or conveyance of any such rights to the other party is granted or implied under this Agreement. Use, examination, reproduction, copying, disassembly, decompilation, transfer, reverse engineering, or disclosure to others, in whole or in part, of a party's software is strictly prohibited except as provided for under this Agreement.

14.5 RETURN OF CONFIDENTIAL INFORMATION

The Receiving Party will return to the Disclosing Party or to the extent permitted by law destroy all Confidential Information of the Disclosing Party in the Receiving Party's possession or control and permanently erase all electronic copies of such Confidential Information promptly upon the request of the Disclosing Party or when such Confidential Information is no longer needed in connection with its performance under this Agreement, whichever comes first. At the Disclosing Party's request, the Receiving Party will certify in writing signed by an officer of the Receiving Party that it has fully complied with the foregoing obligations.

15. GOVERNING LAW.

The interpretation of the rights and obligations of the parties under this Agreement, including, to the extent applicable, any negotiations, arbitrations or other proceedings hereunder, will be governed in all respects exclusively by the laws of the state/province where the Customer has its principal place of business. Each party agrees that it will bring any action or proceeding arising from or relating to this Agreement exclusively in a federal or state/provincial court in the state/province where the Customer has its principal place of business, and each party irrevocably submits to the personal jurisdiction and venue of any such court in any such action or proceeding or in any action or proceeding brought in such courts.

16. NON-SOLICITATION.

During the Term of this Agreement and for a period of 6 months following the termination or expiration of these Terms, Customer agrees not to solicit, nor attempt to solicit, the services of any employee of Cartegraph who provides Services to Customer during the Term without Cartegraph's prior written consent. Customer will not be in violation this Section if an employee of Cartegraph responds to a public advertisement of an open position and is subsequently hired. Violation of this provision will entitle Cartegraph to assert liquidated damages against Customer equal to fifty percent (50%) of the solicited person's first year annual compensation and all reasonable legal fees incurred by Cartegraph in enforcing its rights under this Section. The parties acknowledge and agree that the foregoing is not intended as a penalty of any kind but as reasonable and adequate compensation to Cartegraph in the event Customer should directly employ or contract with an employee of Cartegraph without the prior written consent of Cartegraph.

17. FORCE MAJEURE.

Neither party will be held responsible for failure or delay in the performance of any obligation under this Agreement, with the exception of the obligation to pay Fees, if such failure or delay is due to acts of God, war, terrorism, strikes, boycotts, labor disputes, fire or other loss of facilities, accident or any other cause beyond its control (each, a "Force Majeure"). If the performance of any obligation under this Agreement by either party is prevented, restricted or interfered with by reason of a Force Majeure event, the party whose performance is so affected, upon giving prompt notice to the other party, will be excused from such performance to the extent of such Force Majeure event, provided that the party so affected will take all reasonable steps to avoid or remove such causes of non-performance and will continue performance hereunder with dispatch whenever such causes are removed.

18. NOTICE.

All notices, reports, consents, authorizations and approvals to be given by a party hereunder will be in writing and will either be via: (1) hand-delivery; (2) reputable overnight mail service; (3) facsimile transmission, provided that an original copy of a transmission will be delivered by some other means permitted under this Agreement; or (4) certified mail, return receipt requested, to the other party at its respective addresses set forth above. All notices will be effective upon receipt (or when delivery is refused), or 3 business days after being deposited in the mail as required above, whichever occurs sooner. Either party may change its address for notice by giving notice of the new address to the other party.

19. ADDITIONAL TERMS.

Unless otherwise amended as provided herein, this Agreement will exclusively govern Customer's access to and use of the Solutions and all Services and is the complete and exclusive understanding and agreement between the parties, and supersedes any oral or written proposal, agreement or other communication between the parties. Except as expressly set forth in this Agreement, this Agreement may be modified or amended only in writing signed by both parties. If any provision of this Agreement is held to be unenforceable, that provision will be removed to the extent necessary to comply with the law, replaced by a provision that most closely approximates the original intent and economic effect of the original to the extent consistent with the law, and the remaining provisions will remain in full force. Neither this Agreement nor any rights or obligations of Customer hereunder may be assigned without the prior written approval of Cartegraph. Any assignment in violation of the foregoing will be null and void. Cartegraph may assign this Agreement to any party that assumes Cartegraph's obligations hereunder, including by sale, merger, consolidation, or operation of law or otherwise. Cartegraph may subcontract its obligations under this Agreement, provided that Cartegraph remains responsible for compliance with the applicable terms of this Agreement as to those obligations. The words "include," "includes" and "including" means "include," "includes" or "including," in each case, "without limitation." All waivers under this Agreement must be in writing. Any waiver or failure to enforce any provision of this Agreement on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion. The preprinted terms of a purchase order or any other similar document will not apply to or modify this Agreement. The parties hereto are independent parties, not agents, employees, or employers of the other or joint venturers', and neither acquires hereunder any right or ability to bind or enter into any obligation on behalf of the other.
