

EXCLUSIVE NEGOTIATION AGREEMENT

THIS EXCLUSIVE NEGOTIATION AGREEMENT (this “Agreement”) is entered into as of the ____ day of _____, 2022 (the “Effective Date”) by and between CITY OF LAS VEGAS, a political subdivision of the State of Nevada (“CITY”) and Tru Development LLC, a Nevada limited liability company (“Developer”). CITY and Developer may be referred to herein singularly as a “party” and collectively as the “parties”.

WITNESSETH:

A. WHEREAS, CITY and Developer have engaged in discussions regarding Developer’s interest in developing a mixed-use medical campus on the Site (as hereinafter defined), which is located at 850 North Las Vegas Boulevard in downtown Las Vegas, Nevada and commonly known as “Cashman Center” (hereinafter “Site”), which is depicted on Exhibit A-1 attached hereto and hereby made a part of this Agreement.

B. WHEREAS, CITY owns the Site fee simple, subject to certain use agreements as further described hereinafter.

C. WHEREAS, Developer acknowledges that there are existing short-term and long-term use agreements affecting the Site, as further described herein, and will work with the CITY to minimize any impacts to the uses specified in such agreements.

D. WHEREAS, Developer and CITY have entered into this Agreement in order for CITY and Developer to enter into exclusive negotiations regarding due diligence investigations of the Site by Developer and the potential acquisition or lease, and development of all or a portion of the Site by Developer, all on the terms and conditions set forth herein.

NOW, THEREFORE, for and in consideration of the mutual agreements, which are hereinafter contained, the parties do hereby agree as follows:

1. Term. The Effective Date of this Agreement will be the date of execution by CITY. The term of this Agreement shall commence on the Effective Date and automatically expire on February 3, 2023 at 5:00 p.m. PST (the “Term”). The Term may be extended for one, six-month extension term by written mutual agreement of the parties; provided, however, that such agreement shall be at each party’s respective sole discretion. CITY agrees that during the Term CITY shall not negotiate, directly or indirectly, with any person or entity any matters regarding development, sale, lease or other disposition of the Site or any portion thereof. Such exclusivity shall apply to the Site only and shall not apply to any other land holdings or real property assets of CITY which may be in close proximity to the Site. CITY agrees that, until the expiration of the Term, CITY shall negotiate exclusively with Developer with respect to the Site and the Project.

2. Site. The “Site” consists of approximately 50.25 acres and which is visually depicted in the “Site Map” on Exhibit A-1 and which is described legally in Exhibit A-2. The scope and schedule of the development will determined by the Developer during the term of this Agreement.

The Site contains existing buildings and improvements containing approximately 483,000 gross square feet of space.

3. Project. Developer is currently planning the development of a mixed-use medical campus to include a nonprofit medical project to be operated by the Las Vegas Children's Hospital Foundation, a Nevada nonprofit corporation (the "Project Anchor"); medical office space; and related medical and non-medical facilities (the "Project"). The identity of the Project Anchor is a material business issue for CITY, and because of such, Developer agrees to disclose to CITY periodic business updates for Project Anchor during the term of this Agreement.

4. Feasibility Analysis.

(a) Developer agrees to conduct during the Term all activities Developer deems necessary to determine the suitability of the Site to accommodate the Project. Such due diligence activities shall include, but not be limited to, the following, to be accomplished or acquired, as applicable, at Developer's sole cost and expense:

- (i) An overall program of development of the Project on the Site, including a site plan for the Project, and a site plan and conceptual renderings for the Project Anchor, copies of which will be provided to CITY.
- (ii) A clear schedule of pre-development activities to be conducted during the term of this Agreement, a copy of which will be provided to CITY.
- (iii) A report prepared by a third-party reasonably acceptable to Developer and CITY establishing the feasibility and market analysis to support the development project proposed by the Project Anchor, a copy of which will be provided to CITY.
- (iv) Submission of a capital funding plan for the Project Anchor, including a plan for philanthropy and the identification of major donors, a copy of which will be provided to CITY.
- (v) A proposed master schedule for the development and completion of the Project, including any phases of development. Such master schedule should include a determination of what buildings, improvements, or other infrastructure would need to be demolished or replaced and timing for such demolition or replacement necessary for the Project and the Project Anchor.
- (vi) Completion by Developer of the Due Diligence Investigations (as defined in Section 5(a) below).

CITY may retain copies of all non-proprietary reports and studies pertaining to the Site which have been provided to CITY by Developer or its agents pursuant to this Agreement, including surveys, geotechnical and environmental reports and related studies; provided, however, all copies of reports, renderings, studies, and information relating to the development and market feasibility of the Project provided to CITY by Developer or its agents pursuant to this Agreement shall be

returned to Developer within thirty (30) days after the expiration or earlier termination of this Agreement; provided, however, all such reports and studies shall be provided to CITY without any warranty or representation as to the accuracy or completeness of any kind and without recourse to Developer.

(c) CITY shall cooperate fully, but at no out-of-pocket cost to CITY, in providing Developer with information and assistance to support Developer's implementation of the feasibility analysis. In particular, CITY shall, promptly after the Effective Date or as soon as they become available to CITY, provide Developer with copies of all reports, plans, drawings and other documents pertaining to the Site. CITY's designated representative for all matters under this Agreement is the Director of the Department of Economic and Urban Development of the City of Las Vegas, Nevada, a political subdivision of the State of Nevada (the "City"). Developer and CITY agree to meet or participate in a conference call, no less than two times a month in connection with the feasibility analysis of the Site and Project.

5. Developer Site Access.

(a) CITY authorizes Developer and its employees, agents, representatives, architects, engineers, consultants and contractors to access the Site to conduct surface and subsurface engineering, geotechnical and environmental investigations, studies and assessments and boundary and topographic surveys as Developer deems necessary ("Due Diligence Investigations") for the potential development of the Project. CITY and/or its authorized and designated agent(s) shall have the right to be present upon any entry of the Site by Developer. With respect to the existing buildings including the Stadium building on the Site, CITY authorizes Developer to have access to such buildings provided that a CITY representative is physically present during such access, and provided that Developer provides CITY with at least 48 hours notice before entering the buildings. CITY reserves the right to limit access to such buildings including restricting the right to conduct any floor or soil subsurface penetrations or borings which could adversely impact the operation of such buildings.

This Agreement does not authorize Developer to access or otherwise use any property not included within the Site. Subject to the limitation specified in this Agreement, Developer will have the right to enter upon and conduct Due Diligence Investigations at any time during the Term. Developer shall conduct Due Diligence Investigations in accordance with standards customarily employed in the real estate industry and in compliance with all applicable governmental laws, rules, and regulations. If Developer undertakes any boring or other disturbance of the soils on the Site, CITY must be notified at least ten (10) business days prior to any boring or other disturbance of soils to allow CITY time to notify its environmental consultant and to direct its environmental consultant to be present during the process, if desired by CITY. Following Developer's Due Diligence Investigations on the Site, Developer will promptly restore the Site to substantially the same condition as existed immediately prior to Developer conducting the applicable Due Diligence Investigations, normal wear and tear and normal weather related conditions excepted. If Developer undertakes any boring or other disturbance of the soils on the Site, the soils so disturbed will be recompacted to substantially their condition as of the date immediately prior to such boring or other disturbance (the "Restoration"), and Developer will obtain at its own expense a certificate from a soils engineer certifying that the disturbed soils have been recompacted to substantially

their condition as of the date immediately prior to the soil disturbance. This Agreement shall extend to soil borings with drilling rigs and hand augers and groundwater sampling with bailers or comparable equipment, but shall not be construed to authorize Developer to install groundwater monitoring wells or excavate soils with earth moving equipment. To assist Developer in its environmental due diligence, CITY has provided Developer with a copy of the Phase I Environmental Site Assessment conducted by Terracon and dated April 29, 2016 ("Phase 1 ESA"). CITY makes no warranty regarding any statement or data contained in the Phase 1 ESA.

(b) If Developer should discover any hydrocarbon substances or any other hazardous substances, asbestos or asbestos-containing materials, waste or materials subject to legal requirements or corrective action under any applicable Environmental Laws ("Hazardous Materials") during the Term, Developer will promptly notify CITY in writing of such discovery. Developer shall not use disturbed contaminated soils for the Restoration, and instead shall work with CITY to have stored or otherwise handle (through use of a properly licensed contractor), at CITY's sole cost and expense, any disturbed contaminated soils in compliance with all applicable governmental laws, rules, and regulations until such time as CITY takes possession of such materials. Developer shall not bear any responsibility or liability under this Agreement whatsoever for any discovery, investigation, risk assessment, removal, treatment, corrective action, remediation, cleanup or permitting relating to any such Hazardous Materials. For the purposes of this Agreement, the phrase "Hazardous Substances" shall include any product, byproduct, compound, substance, chemical, material or waste, including, without limitation, asbestos, solvents, degreasers, heavy metals, refrigerants, nitrates, urea formaldehyde, polychlorinated biphenyls, dioxins, petroleum and petroleum products and derivatives, fuel additives, and any other solid, liquid, gaseous or thermal irritant, chemical or waste material, whose presence, characteristics, nature, quantity, intensity, existence, use, manufacture, possession, handling, disposal, transportation, spill, release threatened release, treatment, storage, production, discharge, emission, remediation, cleanup, abatement, removal, migration, or effect, either by itself or in combination with other materials is or is allegedly: (a) injurious, dangerous, toxic, hazardous to human or animal health, aquatic or biota life, safety or welfare or any other portion of the environment; (b) regulated, defined, listed, prohibited, controlled, studied or monitored in any manner by any governmental authority or Environmental Laws; or (c) a basis for liability to any government entity or agency or third party under any regulatory, statutory or common law theory. For purposes of this Agreement, the phrase "Environmental Laws" means any past, present or future federal, state or local law, statute, rule, regulation, code, ordinance, order, decree, judgment, injunction, notice, policy, or binding agreement, and all amendments thereto, issued, promulgated, or entered into by any governmental authority, relating in any way to the environment, the preservation, degradation, loss, damage, restoration, replacement or reclamation of natural resources, waste management, health, industrial hygiene, safety, environmental conditions or hazardous substances.

(c) Developer shall promptly deliver to CITY, without charge therefor and without warranty of or recourse to Developer, any lab or field environmental data, environmental reports, environmental compilations, environmental correspondence, or other documents or information which is generated by or as a result of Due Diligence Investigations and which is reasonably related to the environmental condition of the Site; provided, however, that Developer need not disclose any communication, regardless of the nature of such communication, between Developer and its

legal counsel or its legal counsel and Developer's consultant to the extent the same is reasonably deemed by Developer to be protected by attorney-client privilege. By delivering such reports and studies to CITY, Developer shall not be deemed to be making any representations with respect to the accuracy or completeness of the information contained in such reports or information.

(d) Developer covenants and agrees to (i) pay in full the costs for all materials, if any, supplied, used, joined, or affixed to the Site by or for Developer in connection with the Due Diligence Investigations, (ii) pay in full all persons who perform labor upon the Site in connection with Developer's Due Diligence Investigations, and (iii) not permit any mechanic's or materialman's lien of any kind or nature relating to Developer's Due Diligence Investigations to be enforced against the Site. Developer shall, at Developer's sole cost and expense, take any action reasonably necessary to promptly remove any lien filed against the Site for work performed or materials delivered to the Site in connection with the Due Diligence Investigations.

(e) Developer hereby agrees to indemnify and hold CITY, the City, and their respective elected officials, officers, employees and agents (collectively, the "Related Parties"), harmless from and against any and all claims, damages, losses, expenses, suits, actions, decrees, judgments, awards, reasonable attorneys' fees and court costs, which the Related Parties may suffer or which may be sought against or are recovered or obtainable from the Related Parties as a result of, or by reason of, or arising out of or in consequence of any act or omission, negligent or otherwise, in connection with the Due Diligence Investigations at the Site, of Developer or its officers employees, contractors, subcontractors, agents, volunteers or anyone who is directly or indirectly employed by, or is acting in concert with, Developer, its officers, its employees, contractors, subcontractors, volunteers or agents in connection with this Agreement. If Developer fails to do so, CITY and the City shall have the right, but not the obligation, to defend the same and to obtain reimbursement from Developer of all the direct and incidental costs of such defense, including reasonable attorneys' fees and court costs. Notwithstanding anything to the contrary in this Agreement, this Section 5(e) shall not be construed to require Developer to indemnify or hold harmless the Related Parties from (a) any liabilities for pre-existing matters or conditions with respect to the premises merely discovered by Developer (e.g., latent environmental contamination, etc.) or (b) any such claims, damages, losses, expenses, suits, actions, decrees, judgments, awards, reasonable attorneys' fees and court costs to the extent caused by any act or omission on the part of the Related Parties.

(f) Developer agrees to obtain and to furnish to CITY prior to or concurrent with execution of this Agreement, a certificate showing that there is in effect a policy of a minimum of \$2,000,000.00 combined single limit bodily injury and broad form property damage coverage, including broad form contractual liability. Such coverage shall be on an "occurrence" basis and not on a "claims made" basis. Required limits of coverage may be met utilizing a combination of primary and excess/umbrella policies written in "blanket" form. CITY and the City, each shall be named as an additional insured party and such notation shall appear on the Certificate of Insurance furnished by the Developer's insurance company. The certificates for each insurance policy are to be signed by a person authorized by that insurance carrier. The insurance supplied by the Developer shall be from an insurance carrier that maintains a Best's Key rating of "A VII" or higher. The Certificate shall indicate that neither the insurance company nor Developer can cancel the insurance without at least 10 days prior written notice to CITY. Any exclusion to the effect

that the insurance company or surety company will “endeavor to inform” must be stricken from the certificate of insurance. The parties agree that the specified coverage or limits of insurance in no way limit the liability of the Developer. Developer will not do or permit to be done anything in or upon any portion of the Site, or bring or keep anything thereon which will in any way conflict with the conditions of any insurance policy upon the Site. All deductibles and self-insurance retentions shall be fully disclosed in such certificates of insurance. No deductible or self-insured retention may exceed \$10,000.00 without the prior written approval of CITY.

The obligations and covenants of Developer under this Section 5 shall survive any expiration of the Term or other termination of the Agreement.

6. Disclosure of Current Use of Cashman Property

(a) CITY entered into the Cashman Field Use Agreement (“Stadium Use Agreement”) with Las Vegas Soccer LLC (“Las Vegas Lights FC”) and dated July 19, 2017. This Stadium Use Agreement provides beneficial use to the Las Vegas Lights FC of a portion of the Site, including the existing soccer stadium and surface parking. Developer agrees to minimize any access to the Site and disruptions to the Site, including but not limited to the surface parking, during Developer’s due diligence activities undertaken pursuant to Section 5a of this Agreement. Developer agrees and acknowledges that nothing in this Agreement, whether express or implied, shall obligate the CITY to make any changes to the Stadium Use Agreement during the term of this Agreement.

(b) CITY has entered into a month-to-month parking agreement with The Neon Museum, a Nevada nonprofit corporation, for using a portion of the southwestern-most surface parking on the Site. Developer agrees to minimize any access to this portion of the Site and disruptions to the Site, including but not limited to the surface parking, during Developer’s due diligence activities undertaken pursuant to Section 5a of this Agreement.

(c) CITY has authorized the use of the existing exposition space and a portion of the theater space to the Clark County Fire Department, and the Las Vegas Fire Department, to temporarily house emergency response vehicles and to conduct fire training academy services. Developer agrees to minimize any access to this portion of the Site and disruptions to this portion of the Site, including but not limited to the surface parking located immediately adjacent to the exposition halls, during Developer’s due diligence activities undertaken pursuant to Section 5a of this Agreement.

(d) A full list of agreements affecting the current use of the Site is attached hereto as Exhibit C to this Agreement.

7. Good Faith Negotiations and Terms for a Master Disposition and Development Agreement.

(a) During and throughout the term of this Agreement, the parties agree to work in good faith to negotiate business terms which would be included in a Master Disposition and

Development Agreement (“MDDA”) for the development of the Site.

(b) The parties acknowledge that, in compliance with the provisions of NRS 268 CITY, at its cost, will obtain and rely upon independent appraisal of the Site prepared within six (6) months of the effective date of the MDDA and that the City Council will address the adoption of a formal resolution finding that it is in the best interests of the public to sell the Site to Developer for the Purchase Price without offering such real property to the public. The adoption of such resolution will be at the discretion of the Las Vegas City Council. Notwithstanding the foregoing, the parties agree that any such appraisal may be subject to public records laws or ordinances of the City of Las Vegas or the State of Nevada.

The CITY desires to redevelop the site to support a mixed-use medical campus which will include facilities owned and operated by the Project Anchor. To this end, the Developer and CITY agree that the Project Anchor will be allocated not less than 20 gross acres of land of the Project Site at no cost to Project Anchor. Developer will be responsible to coordinate with Project Anchor and CITY for a mutually agreeable master plan and site map that meets the business and site needs of Project Anchor, including but not limited to suitable site ingress/egress and parking for Project Anchor.

(c) Developer and CITY agree and acknowledge (i) that this Agreement creates no obligation for either party to enter into the MDDA or any other agreement related to the Site; (ii) the decision to enter into a MDDA will be at each party’s respective sole and absolute discretion; and (iii) the approval of the City Council will be a condition to CITY’s obligation to enter into any MDDA or other agreement (excluding this Agreement) relating to the Site. Developer agrees and acknowledges that, except as expressly provided for in this Agreement, this Agreement creates no rights, title or interest in Developer whatsoever, legal, equitable or otherwise, in the Site, including, without limitation, any rights to purchase, lease, option or otherwise. By its execution of this Agreement, CITY is not committing itself to or agreeing to undertake disposition of land to Developer or any other acts or activities requiring the subsequent independent exercise of discretion by the CITY or any governmental authority with authority over the resulting development. This Agreement does not constitute an agreement for disposition of property or the exercise of control over property by Developer. Execution of this Agreement by CITY is merely an agreement to enter into a period of exclusive, good faith negotiations with Developer according to the terms hereof. In the event the parties do not enter into a MDDA during the Term, this Agreement shall automatically expire and be of no further force and effect from and after the expiration of the Term.

8. Good Faith Deposit.

(a) Developer shall deposit with CITY, no later than three (3) business days after the Effective Date, the sum of One Hundred Thousand and No/100 Dollars (\$100,000.00) (the “Deposit”), in cash or by wire transfer, to secure Developer’s good faith performance of its obligations under this Agreement and to be held by CITY.

(b) In the event (i) Developer performs all of its obligations under this Agreement and (ii) the Parties do not enter into a MDDA, the full amount of the Deposit shall be returned to Developer on the later of (A) thirty (30) days after the expiration of the Term or termination of this Agreement (as the case may be) or (B) that date that CITY is satisfied that Developer has materially complied with Section 5 of this Agreement and that there are no outstanding matters covered by Developer's indemnity in Section 5(e) above, CITY shall refund the Deposit in full; provided, however, that if CITY has not notified Developer within thirty (30) days after the expiration of the Term or date of termination, as applicable, of any unsatisfied obligations pursuant to Sections 5 or any pending matters covered by Section 5(e), then such matters shall be deemed satisfied.

(c) In the event a MDDA is executed by the parties pursuant to the terms hereof, the Deposit shall be applied to the ultimate purchase price of the Site in accordance with the MDDA; provided, however, that the MDDA will set an agreed amount of deposit under that Agreement. The Deposit shall be placed in an interest-bearing account at a federally insured commercial bank. All interest earned thereon shall follow (and be deemed a part of) the Deposit, but shall be deemed "earned" by Developer for income tax purposes.

9. Real Estate Commission. No party shall be liable to any other party for any real estate commission or brokerage fees that may arise as a result of or pursuant to this Agreement. Each party represents to the other party that it has not engaged any broker, agent or finder in connection with this Agreement, and agrees to indemnify and hold the other party harmless from any claim by any broker or finder retained by, or claiming through, such party. The provisions of this Section 9 shall survive any termination or expiration of this Agreement.

10. Conflict of Interest.

(a) An official of CITY, who is authorized in such capacity and on behalf of CITY to negotiate, make, accept or approve, or take part in negotiating, making, accepting, or approving this Agreement, payments under this Agreement, or work under this Agreement, shall not be directly or indirectly interested personally in this Agreement or in any part hereof. No officer, employee, architect, attorney, engineer or inspector of, or for CITY, who is authorized in such capacity and on behalf of CITY to exercise any legislative, executive, supervisory or other similar functions in connection with this Agreement, shall become directly or indirectly interested personally in this Agreement or in any part hereof, any material supply contract, subcontract, insurance contract, or any other contract pertaining to this Agreement.

(b) Each party represents that it has no actual knowledge of any financial or economic interest of any public officer or employee of CITY relating to this Agreement. Notwithstanding any other provision of this Agreement, if such interest becomes known, CITY may immediately terminate this Agreement.

(c) Developer represents and warrants that it has disclosed the ownership and principals of Developer on that certain "Certificate – Disclosure of Ownership/Principals" attached as Exhibit B hereto, and that it has a continuing obligation to update this disclosure whenever there is a material change in the information.

11. Default.

(a) In the event Developer is in material default of its obligations under this Agreement, including any failure of Developer to proceed in good faith with the due diligence activities required in order to complete the feasibility analysis of the Project, and such default is not cured within fifteen (15) days after written notice delivered by CITY specifying the precise nature of the default, then CITY shall have the right to immediately terminate this Agreement upon written notice to Developer. In the event of such termination then CITY shall be entitled to retain the Deposit. **IT IS EXPRESSLY UNDERSTOOD AND AGREED BETWEEN CITY AND DEVELOPER (A) THAT THE DEPOSIT IS A REASONABLE ESTIMATE OF DAMAGES CONSIDERING ALL THE CIRCUMSTANCES EXISTING ON THE DATE OF THIS AGREEMENT, INCLUDING THE RELATIONSHIP OF SUCH SUM TO THE RANGE OF HARM THAT REASONABLY COULD BE ANTICIPATED AND THE ANTICIPATION THAT PROOF OF ACTUAL DAMAGES WOULD BE COSTLY OR INCONVENIENT, AND (B) THAT CITY'S ACTUAL DAMAGES FOR ANY SUCH BREACH BY DEVELOPER HEREUNDER WOULD BE SUBSTANTIAL BUT EXTREMELY DIFFICULT TO ASCERTAIN.**

(b) In the event CITY or the City is in default of its obligations under this Agreement, Developer's sole and exclusive cumulative remedy will be to terminate this Agreement.

12. Notices. All notices required pursuant to the terms and conditions of this Agreement shall be in writing, unless an emergency situation dictates otherwise. Any notice required to be given under the terms of this Agreement shall be deemed to have been given when (i) received by the party to whom it is directed by hand delivery or personal service, all fees pre-paid, (ii) transmitted by facsimile with confirmation of transmission (an original signed copy, via first-class U. S. Mail, shall follow facsimile transmissions), (iii) sent by U.S. mail via certified mail – return receipt requested, postal fees pre-paid or (iv) sent by email, each at the following addresses:

13. Publicity. The parties agree that neither party shall make any public announcement or any press release with respect to this Agreement or the Project without the consent of the other party, which consent shall not be unreasonably withheld, conditioned or delayed. Nothing in this Section 13 shall limit or prevent CITY from undertaking any actions required by Nevada's open meeting laws or from causing or allowing the release of information or dissemination of documents as may be required in connection with any administrative hearings or proceedings pertaining to the City's approval or implementation of this Agreement. Furthermore, Developer acknowledges that CITY is subject to the public records laws of the State of Nevada as set forth in Chapter 239 of the Nevada Revised Statutes ("Public Records Act") and all information in physical or electronic form or other form provided by Developer to CITY will be subject to disclosure under the Public Records Act; provided, however, CITY will not disclose any such information to any governmental authority unless specifically requested pursuant to the Public Records Act.

Notwithstanding the foregoing, Developer shall have the right to disclose any and all information to a governmental body or law enforcement agency which has been properly designated to collect information from the Developer about its planned Project and to Developer's consultants, agents, representatives, advisors, attorneys and potential lenders.

14. Assignment. Developer may not assign or transfer all or any part of its interest in this Agreement without first obtaining the written consent of CITY which consent may be granted or withheld at CITY's sole and unfettered discretion. Any transfer or assignment in violation of this Section 14 shall be null and void and constitute a default of this Agreement. Notwithstanding the foregoing, Developer shall have the right to assign its interest in this Agreement to an entity formed to develop the Project so long as the principals of Developer are the majority owners of such entity and control, directly or indirectly, such entity and such entity assumes Developer's obligations under this Agreement. Any such assignee shall provide a Certificate – Disclosure of Ownership/Principals in the format of Exhibit B attached hereto.

Any amendments to this Agreement shall be in writing and shall be signed by both parties hereto.

18. No Waiver. A waiver by either party hereto of a breach of any of the covenants or agreements hereof to be performed by the other party shall not be construed as a waiver of any succeeding breach of the same or other covenants, agreements, restrictions or conditions hereof.

19. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, representatives, successors and permitted assigns.
