- (c) In those cases to which the Public Attorney is assigned, such Attorney shall provide the necessary criminal investigations, trial preparation and defense so as to provide full professional defense of such cases, and as required shall provide services to include, but not be limited to, interviews with advice to indigent defendants and witnesses, the performance of legal research, the interpretation and application of laws, Court decisions and legal point and authorities for the use and preparation of cases, contacting agencies regarding the collection of facts and evidence, attendance at arraignments, pre-trial hearings, the conduct of trials, the necessary filing and prosecution of appeals from the assigned department, the attendance at sentencing, and communication with Alternative Sentencing and Education concerning counseling.

- (f) The Public Attorney shall render professional services in complete compliance with the Nevada Rules of Professional Conduct. Further, the Public Attorney shall provide a level of representation demonstrating the same level of competency, diligence and fidelity to the Indigent Defendant as would be expected of an attorney in a private criminal defense practice. In accordance with Nevada law, the City will schedule pretrial hearings on Thursday afternoons and/or Saturdays, in order to ensure each person receives a hearing within 48 hours of being taken into custody. The City will establish a rotating schedule, so that each Public Attorney will take turns providing representation at Saturday pretrial release hearings.

- (k) Until released as counsel of record, the Public Attorney shall maintain an independent file for each Indigent Defendant appointed. All such files must be maintained for a period of seven (7) years following termination of representation, unless transferred to a subsequent Public Attorney, following the final disposition of that case. The City's sole liability under this Section is for payment of costs for goods and services requested by the City and actually performed by the Company.

E-5 Event of Default [CAO-12/30/2020]

- (a) If, during the term of this Contract, the Company (i) fails to deliver services that comply with the Scope of Work, (ii) fails to deliver the services within the time specified in the Purchase Order or Scope of Work or any extension thereof, (iii) fails to make progress so as to endanger the performance of this Contract, (iv) becomes insolvent, bankrupt or makes an assignment for the benefit of creditors, or if a receiver or trustee in bankruptcy is appointed for the Company, or if any proceeding in bankruptcy, receivership, or liquidation is instituted against the Company and is not dismissed within thirty (30) days following commencement thereof, or (v) fails to perform any of the other obligation or requirement of this Contract, then any of the aforementioned failures shall constitute an "Event of Default" under this Contract.
- (b) If there occurs an Event of Default, the Company shall be entitled to ten (10) calendar days from written notice thereof to remedy the Event of Default, provided, however, such is capable of being remedied within that period. If the Event of

Default can be remedied, but the remedy cannot be completed within the ten (10) day period, the Company may be allowed such additional time as may be reasonably necessary to remedy the Event of Default, provided, however, the remedy is commenced within the ten (10) day period and is diligently pursued to completion but in no event later than thirty (30) days after such written notice. Said time period may be extended at City's sole discretion. If the Event of Default is incapable of remediation, or is not remedied as required herein, the City may, in addition to any other remedies available in law or equity, invoke any of the remedies provided for under Section E-6, "Termination for Default", below.

E-6 Termination for Default [R]

- (a) The City has the right to terminate this Contract, in whole or in part, if any of the following shall occur and the Contract Administrator, after reviewing the complaint, has determined that termination of the Public Attorney or Company for cause is warranted, or the Contract Administrator receives a complaint concerning the performance or behavior of the Public Attorney including, without limitation, a complaint for the following:
 - (i) the Public Attorney or Company has failed to provide for the representation or appearance of an Alternate Public Attorney at Municipal Court proceedings in the event of the absence of the Public Attorney, or
 - (ii) the Public Attorney or Company has been held in contempt of court by the Municipal Court in representing an indigent client pursuant to the requirements of this Contract; or,
 - (iii) the Public Attorney or Company has failed to perform the services required under Section C (Statement of Work) or any other provision of this Contract including, without limitation, delivering any required documentation within the time specified in this Contract, and such failure has continued after notice is provided pursuant to subsection (b) below.
- (b) If an Event of Default as described in Section E-5 or a complaint as described in Section E-6(a) is not remedied as required pursuant to Section E-5, "Event of Default", the City may, by written notice to the Company pursuant to Section E-1, "Legal Notice", terminate this Contract in whole or in part.
- (c) If this Contract is terminated in whole or in part because the Company has failed to provide goods in compliance with the specifications by the deadline of remediation period, the City may acquire, under reasonable terms and in a manner it considers appropriate, replacement goods that are comparable to the goods that the Company failed to deliver to the City, and the Company shall be liable to the City for any excess costs related thereto. If the City terminates this Contract only in part, the Company shall continue to perform the un-terminated obligations or portions of this Contract.
- (d) The Company shall not be liable for any excess costs if the failure to perform the Contract arises from circumstances beyond the control of, and without the fault or negligence on the part of, the Company. These circumstances are limited to such causes as (i) acts of God or of the public enemy, (ii) acts of governmental bodies, (iii) fires, (iv) floods, (v) epidemics/pandemics, (vi) quarantine restrictions, (vii) labor strikes, (viii) freight embargoes, or (ix) unusually severe weather. The time of performance of the Company's obligations under this Contract shall be extended by such period of enforced delay; provided, however, that such reasonably extended time period shall not exceed sixty (60) days. If the foregoing circumstances result in a delay greater than 60 days, the City may terminate the affected portion of the Contract pursuant to the terms of Section E-4, "Termination for Convenience".
- (e) The City retains the right to terminate for default immediately if the Company fails to maintain the required insurance, and/or bonding, fails to comply with applicable local, state, and federal statutes governing performance of these services, or fails to comply with statutes involving health or safety.
- (f) If the City fails to perform any of its obligations required under this Contract, and the City does not remedy the failure after notice thereof is provided to the City by the Company pursuant to the requirements of Section E-1, "Legal Notice" above, the Company shall have the right to treat the failure as a claim or dispute subject to the resolution provisions of E-2, "Disputes" of this Contract. During the period of such resolution, the Company shall continue with its performance under the Contract.

E-7 Limitation of Funding/Non-Appropriation [CAO-4/2020]

The Company acknowledges that City is a governmental entity and the Contract's validity is based upon the availability of public funding under its authority. The City reserves the right to reduce estimated or actual quantities, in whatever amount necessary, without prejudice or liability to the City, if funding is not available or if legal restrictions are placed upon the expenditure of monies for the services required under this Contract. In addition, and without prejudice or liability to the City, if funds are not appropriated or otherwise made available to support continuation in any fiscal year succeeding the first fiscal year, this Contract will be deemed to have been terminated automatically **when appropriated funds expire and** are not

available. The City shall notify Company in writing of any such non-allocation of funds at the earliest possible date and shall pay Company any reasonable fees earned and costs incurred in performing this Contract for any period prior to such notice.

E-8 Changes - Fixed-Price Goods or Services [CAO-4/2020]

- (a) The City may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this Contract in any one or more of the following:
 - (i) Description of services to be performed or goods to be provided.
 - (ii) Time of performance (i.e., hours of the day, days of the week, etc.).
 - (iii) Place of performance of the services.
 - (iv) Time or place of delivery of goods
- (b) If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this Contract, the Company shall provide current, complete, and accurate documentation to the City in support of any request for equitable adjustment.
- (c) The Company must assert its right to an adjustment under this clause within thirty (30) days from the date of receipt of the written order, or shall otherwise be barred and shall have waived any right to an adjustment under this clause.
- (d) The parties shall negotiate a timely requested equitable adjustment by mutual written agreement and the change will be effected by purchase order revision. Failure to agree to any adjustment shall be a dispute under Section E-2, "Disputes"; however, nothing in this clause shall excuse the Company from proceeding with the Contract as changed.

E-9 Entire Contract, Section and Paragraph Headings [CAO-4/2020]

- (a) This Contract represents the entire and integrated agreement between the City and the Company. It supersedes all prior and contemporaneous understandings, negotiations, communications, representations, and agreements, whether oral or written, relating to the subject matter of this Contract.
- (b) The section and paragraph headings appearing in this Contract are inserted for the purpose of convenience and ready reference. They do not purport to define, limit, or extend the scope or intent of the language of the sections and paragraphs to which they pertain.

E-10 Order of Precedence [CAO-7/24/08]

In the event of a conflict between the specific language set forth in Sections A through E of this Contract and any Attachment or Exhibit, the specific language in Sections A through E shall prevail. Any exception to this order of precedence will be addressed through specific language elsewhere in Sections A through E.

E-11 Severability [CAO-7/24/08]

The invalidity, illegality, or unenforceability of any provision of this Contract or the occurrence of any event rendering any portion or provision of this Contract void shall in no way affect the validity or enforceability of any other portion or provision of this Contract. Any void provision shall be deemed severed from this Contract, and the balance of this Contract shall be construed and enforced as if this Contract did not contain the particular portion or provision held to be void. The parties further agree to amend this Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this clause shall not prevent this entire Contract from being void should a provision which is of the essence of this Contract be determined void.

E-12 Waiver [CAO-7/24/08]

Waiver of any of the terms of this Contract shall not be valid unless it is in writing signed by each party. The failure of the City to enforce any of the provisions of this Contract, or to require performance of any of the provisions herein, shall not in any way be construed as a waiver of such provisions or to affect the validity of any part of this Contract, or to affect the right of the City to thereafter enforce each and every provision of this Contract. Waiver of any breach of this Contract shall not be held to be a waiver of any other or subsequent breach of this Contract.

E-13 Modification/Amendment [CAO-7/24/08]

This Contract shall not be modified or amended except by the express written agreement of the parties, signed by a duly authorized representative for each party. Any other attempt to modify or amend this Contract shall be null and void, and may not be relied upon by either party.

E-14 Assignment [CAO-7/24/08]

Neither party may assign their rights nor delegate their duties under this Contract without the written consent of the other party. Such consent shall not be withheld unreasonably. Any assignment or delegation shall not relieve any party of its obligations under this Contract.

E-15 Indemnification [CAO-4/2020]

- (a) In addition to the insurance requirements set forth in Section D-5, "Insurance", and not in lieu thereof, the Company shall protect, defend, indemnify and hold harmless the City, its elected officials, officers, employees, agents, and consultants (collectively herein the "City") from and against any and all claims, liabilities, damages, losses, suits, actions, decrees, arbitration awards and judgments including attorney's fees, court costs or other expenses of any and every kind or character (collectively herein the "Liabilities") which may be recovered from or sought against the City, as a result of, by reason of, or as a consequence of (i) any act or omission, negligent or otherwise, on the part of the Company, its officers, employees, independent contractors, vendors, suppliers, consultants, or agents in the performance of the terms, conditions and covenants of the Contract; or (ii) a breach of any agreement between the Company and its employees, vendors, independent contractors, suppliers, consultants or agents; or (iii) any default in the performance of any obligation on Company's part to be performed under the terms of this Contract, regardless of whether the Liabilities were caused in part by the City. Company agrees that it is assuming the sole risk of any Liabilities related to the contraction by Company's officers, employees, vendors, suppliers, agents, independent contractors, and consultants or any other person of any viral infection or other disease, including, without limitation, COVID 19, related to the performance of this Contract and that Company's indemnity obligations contained herein cover any such Liabilities. In no event shall the language in this Section constitute or be construed as a waiver or limitation of the City's rights or defenses with regard to sovereign immunity, governmental immunity, or other official immunities and protections as provided by the Federal and State Constitutions or by law.
- (b) If a third party claim against the City for negligent performance by the Company is within the limits of its liability insurance, and the insurance company has accepted the City's tender of defense, then the City will pay the Company what is due and owing to them within the payment method specified in this Contract. However, if the claim is greater than the coverage amount, the City, for its protection, may retain any money due and owing the Company under this Contract, until the claim has been resolved. In the event no money is due and owing, the surety, if required, of the Company, may be held until all of the Liabilities have been settled and suitable evidence to that effect furnished to the City.
- (c) It is expressly agreed that the Company shall defend the City at Company's expense, by legal counsel reasonably satisfactory to City, against the Liabilities and in the event that the Company fails to do so, the City shall have the right, but not the obligation, to defend the same and to charge all direct and incidental costs, including attorney's fees and court costs, to the Company. Company's indemnity obligations herein are not intended to nor shall they relieve any insurance carrier of its obligations under policies required to be carried by Company pursuant to the provisions of this Contract. Company's obligations under this Section shall survive any termination of this Contract.

E-16 Patent Indemnity [CAO-12/30/2020]

The Company hereby indemnifies and shall defend and hold harmless the City and its representatives respectively from and against all claims, losses, costs, damages, and expenses, including attorney's fees, incurred by City and its representatives, respectively, as a result of or in connection with any claims or actions based upon infringement or alleged infringement of any patent or other intellectual property and arising out of the use of the equipment or materials furnished under the contract by the Company, or out of the processes or actions employed by, or on behalf of the Company in connection with the performance of the Contract. The Company shall, at its sole expense, by legal counsel reasonably satisfactory to City, promptly defend against any such claim or action unless directed otherwise by the City or its representative; provided that the City or its representatives shall have notified the Company upon becoming aware of such claims or actions, and provided further that the Company's aforementioned obligations shall not apply to equipment, materials, or processes furnished or specified by the City or its representatives.

E-17 Audit of Records [CAO-5/2/12]

- (a) The Company agrees to maintain the financial books and records (including supporting documentation) pertaining to the performance of this Contract according to standard accounting principles and procedures. The books and records shall be maintained for a period of three (3) years after completion of this Contract, except that books and records which are the subject of an audit finding shall be retained for three (3) years after such finding has been resolved. If the

Company goes out of business, the Company shall forward the books and records to the City to be retained by the City for the period of time required herein.

- (b) The City or its designated representative(s) shall have the right to inspect and audit (including the right to copy and/or transcribe) the books and records of the Company pertaining to the performance of this Contract during normal business hours. The City will provide prior written notice to the Company of the audit and inspection. If the books and records are not located within Clark County, the Company agrees to deliver them to the City, or to an address designated by the City within Clark County. In lieu of such delivery, the Company may elect to reimburse the City for the cost of travel (including transportation, lodging, meals, and other related expenses) to inspect and audit the books and records at the Company's office. If the books and records provided to the City are incomplete, the Company agrees to remedy the deficiency after written notice thereof from the City, and to reimburse the City for any additional costs associated therewith including, without limitation, having to revisit the Company's office. The Company's failure to remedy the deficiency shall constitute a material breach of this Contract. The City shall be entitled to its costs and reasonable attorney fees in enforcing the provisions of this Section.
- (c) If at any time during the term of this Contract, or at any time after the expiration or termination of the Contract, the City or the City's designated representative(s) find the dollar liability is less than payments made by the City to the Company, the Company agrees that the difference shall be either: (i) repaid immediately by the Company to the City or (ii) at the City's option, credited against any future billings due the Company.

E-18 Confidentiality – City Information [CAO-4/2020]

- (a) All information, including but not limited to, oral statements, computer files, databases, and other material or data supplied to the Company is confidential and privileged. The Company shall not disclose this information, nor allow to it be disclosed to any person or entity without the express prior written consent of the City. The Company will use at least the same standard of care and exercise equivalent security measures to maintain the confidentiality of the City's information that it uses to maintain the confidentiality of its own confidential information; provided in no event shall such standard be less than reasonable care. The Company shall have the right to use any such confidential information only for the purpose of providing the services under this Contract, unless the express prior, written consent of the City is obtained. City shall be and remain the sole owner of such confidential information. Nothing contained in this Contract shall be construed as granting or conferring any right or license in the City's information or in any patents, software, or other technology, either expressly or by implication to the Company. Upon request by the City, the Company shall promptly return to the City all confidential information supplied by the City, together with all copies and extracts. Company is required to employ the highest ethical standards and shall avoid those actions that are inconsistent with the City's best interest.
- (b) The confidentiality requirements shall not apply where (i) the information is, at the time of disclosure by the City, then in the public domain; (ii) the information is known to the Company prior to obtaining the same from the City; (iii) the information is obtained by the Company from a third party who did not receive the same directly or indirectly from the City; or (iv) the information is subpoenaed by court order or other legal process, but in such event, the Company shall notify the City. In such event the City, in its sole discretion, may seek to quash such demand.
- (c) The obligations of confidentiality shall survive the termination of this Contract.

E-19 Marketing Restrictions [CAO-4/2020]

The Company shall at all times be in compliance with Las Vegas Municipal Code 1.08.050, and shall not publish or sell any information from or about this Contract without the prior written consent of the City. At any time during the term of this Contract, and within thirty (30) days of the expiration or termination of this Contract, the Company will upon request return the data to the City at no charge in the format held by Company. On City request, the Company will delete all City data and will provide appropriate certification to the City to document the disposal. The Company shall promptly notify the City if the

Company becomes aware of any unauthorized access, acquisition, disclosure, use, modification, destruction or other misuse of the City's data or other confidential information, and shall fully cooperate with the City in any legal action taken by the City to enforce its rights therein. This Section shall survive termination or expiration of this Contract.

- (a) Discrimination: The City is committed to promoting full and equal business opportunity for all persons doing business in Las Vegas. The Company acknowledges that the City has an obligation to ensure that public funds are not used to subsidize private discrimination.
