**** STAFF REPORT ****

PROJECT DESCRIPTION

This is a request for a Site Development Plan Review for a proposed commercial development consisting of a 2,224 square-foot Restaurant with drive through and 3,800 square-foot Alcohol, On-Premise Full (Tavern) use on 1.80 acres located on the northeast corner of Kyle Canyon Road and Shaumber Road.

ISSUES

- The applicant has requested a General Plan Amendment (22-0172-GPA1) from PCD (Planned Community Development) to SC (Service Commercial) on the subject site. Staff recommends approval of the request.
- The applicant has requested a Rezoning (22-0172-ZON1) from U (Undeveloped) Zone [PCD (Planned Community Development) General Plan Designation] to C-1 (Limited Commercial). Staff recommends approval of the request.
- The proposed Restaurant use is permitted, the Drive-Through use is permitted conditionally and the Alcohol, On-Premise Full (Tavern) use is allowed with an approved Special Use Permit within the proposed C-1 (General Commercial) zoning district.
- The applicant has requested a Special Use Permit (22-0172-SUP1) for a proposed 3,800 square-foot Alcohol, On-Premise Full (Tavern) use within the proposed development. Staff recommends approval of the request.
- The applicant has requested a Special Use Permit (22-0172-SUP2) for a proposed 3,800 square-foot Gaming, Restricted (6 to 15 machines) use with a Waiver to allow a 1,195-foot distance separation from site that is designated to be a City Park where 1,500 feet is required within the proposed Tavern. Staff recommends approval of the request.

ANALYSIS

The subject site is comprised of one undeveloped 1.80 acre parcel. The site is currently zoned U (Undeveloped) Zone [PCD (Planned Community Development) General Plan Designation] with a PCD (Planned Community Development) General Plan Designation and is subject to the development standards outlined in Title 19. The subject site is located on the northeast corner of Kyle Canyon Road and Shaumber Road alignment and is currently surrounded by undeveloped parcels with similar zoning and general plan designations.

Staff Report Page Two

September 21, 2022 - City Council Meeting

Also, the subject site is located within the Kyle Canyon Area as outlined in the City of Las Vegas 2050 Master Plan. The districts character is predominantly detached single-family residential and has several areas under development agreements, open desert, and large-lot estates. The area plan indicates that few major or significant employers or commercial centers exist within Kyle Canyon, with limited new suburban commercial will be constructed at major interchanges.

The applicant has proposed a General Plan Amendment (22-0172-GPA1) from PCD (Planned Community Development) to SC (Service Commercial). The Service Commercial category generally allows low to medium intensity retail, office and other commercial uses that serve primarily local patrons, and do not include more intense general commercial characteristics. The SC (General Commercial) General Plan land use designation allows the P-O (Professional Office and Parking), O (Office) and C-1 (Limited Commercial) zoning districts.

In addition, the applicant has proposed Rezoning (22-0172-ZON1) the subject site from U (Undeveloped) Zone [PCD (Planned Community Development) General Plan Designation] to C-1 (Limited Commercial). The C-1 (Limited Commercial) zoning district is intended to provide most retail shopping and personal services. This district should be intended to be located on the periphery of residential neighborhoods and should be confined to the intersections of primary and secondary thoroughfares along major retail corridors and is consistent with the Service Commercial category of the General Plan.

Staff has determined that the proposed C-1 (Limited Commercial) zoning district and SC (Service Commercial) General Plan land use designation are consistent with the surrounding area. Furthermore, the Kyle Canyon Area plan indicates the Shaumber Road alignment is designated to become the Sheep Mountain Parkway alignment, which will create a major intersection that is suitable for commercial development on the subject site. The Department of Public Works states, "That although the right-of-way width for Sheep Mountain Parkway is determined, the physical roadway cross section has yet to be determined. However, we anticipate having a final determination on the Sheep Mountain Parkway roadway section prior to the submittal of technical studies for this project." A condition of approval has been added which will require the applicant to dedicate 60-feet of right-of-way on Sheep Mountain Parkway (North Shaumber Road) and a 25-foot radius at the northeast corner Sheep Mountain Parkway and Kyle Canyon Road. In addition, the applicant will also have to construct half-street improvements on Kyle Canyon Road.

Staff Report Page Three**September 21, 2022 - City Council Meeting**

The permitted Restaurant use is described in Title 19.12 as, “An establishment providing for the preparation and retail sale of food and beverages, including without limitation cafes, coffee shops, sandwich shops, ice cream parlors, fast food take-out (i.e. pizza) and similar uses. The associated Drive-Through use is listed as a conditional land use within the C-1 (Limited Commercial) zoning district. Title 19.12 describes the use as, “The use of a dedicated drive lane that, incidental to a principal use, provides access to a station, such as a window, door or mechanical device, from which occupants of a motor vehicle receive or obtain a product or service.”

The Conditional Use Requirements for the use include:

1. A single-station drive-through shall have a stacking lane that will accommodate a minimum of six vehicles, including the vehicle at the station. A multiple-station drive-through shall have stacking lanes that will accommodate a minimum of three vehicles per station, including the vehicle at that station.

The submitted site plan indicates that the proposed Restaurant with a Drive-Through will provide a single-station drive-through that will provide a stacking lane that will accommodate nine vehicles.

2. The drive-through shall be screened in accordance with LVMC 19.08.040(F).

The submitted landscaping plan indicates that the proposed development complies with all Title 19.08.040(F) landscape buffer screening requirements by providing a 15-foot wide landscape buffer adjacent to the drive-through with all required planting materials.

In addition, the applicant has requested a Special Use Permit (22-0172-SUP1) for a proposed 3,800 square-foot Alcohol, Off-Premise Full use with the proposed Tavern. The Alcohol, On Premise Full use is described in Title 19.12 as, “An establishment licensed to sell alcoholic beverages, not limited to the sale of beer, wine and coolers, for consumption on the premises where the same are sold.” This use requires approval of a Special Use Permit within a C-1 (Limited Commercial) zoning district in Title 19.

The Minimum Special Use Permit Requirements for this use include:

1. Pursuant to its general authority to regulate the sale of alcoholic beverages, the City Council declares that the public health, safety and general welfare of the City are best promoted and protected by generally requiring a minimum distance separation between an Alcohol, On-Premise Full establishment and certain other uses that should be protected from the impacts associated with that establishment. Therefore, except as otherwise provided in these Requirements, no Alcohol, On-Premise Full establishment may be located within 400 feet of any of the following uses:

Staff Report Page Four

September 21, 2022 - City Council Meeting

- a. Church/house of worship;
- b. School;
- c. Individual care center licensed for more than 12 children; or
- d. City park.

This requirement has been met as there are no protected land uses within 400 feet of the subject site. All measurements have been taken from the perimeter boundary of APN 126-01-301-013.

2. The distance separation requirement set forth in Requirement 1 does not apply to the following:

- a. An establishment which has a non-restricted gaming license in connection with a hotel having 200 or more guest rooms on or before July 1, 1992, or in connection with a resort hotel having in excess of 200 guest rooms after July 1, 1992; or
- b. Any Alcohol, On-Premise Full use located on property within the Pedestrian Mall, as defined in LVMC Chapter 11.68; the Downtown Entertainment Overlay District, as described in LVMC 19.10.120; or the 18b Arts District, as described in Appendix F to this Title. The Special Use Permit approval may include conditions designed to mitigate any impacts related to distance separation.

This requirement is not applicable, as the proposed land use is not associated with a non-restricted gaming license with a hotel having more than 200 rooms or an establishment having more than 50,000 square feet of retail floor space.

Also, the applicant has requested a Special Use Permit (22-0172-SUP2) for a proposed 3,800 square-foot Gaming Establishment, Restricted (6 to 15 Machines) in conjunction with the proposed Tavern. The Gaming Establishment, Restricted use is described in Title 19.12 as "An establishment which is primarily used for some business other than gaming but in which restricted gaming is permitted pursuant to Title 6. For informational purposes, this description refers to an establishment whose gaming operations are limited to not more than 15 slot machines, and no other game or gaming device." This use requires approval of a Special Use Permit within a C-1 (Limited Commercial) zoning district in Title 19.

The Minimum Special Use Permit Requirements for this use include:

*1. Pursuant to its general authority to regulate gaming, the City Council declares that the public health, safety and general welfare of the City are best promoted and protected by generally requiring a minimum distance separation between a Gaming Establishment, Restricted use and certain other uses that should be protected from the impacts associated with that establishment, or that otherwise should be separated so as to minimize impacts on surrounding areas. Therefore, except as otherwise provided in these Requirements, the following distance separation requirements apply:

Staff Report Page Five

September 21, 2022 - City Council Meeting

- a. For one to five gaming machines, no less than 400 feet to the nearest:
 - I. Church/house of worship;
 - II. School;
 - III. Individual care center licensed for more than 12 children; or
 - IV. City park.
- b. For six to fifteen gaming machines, no less than 1500 feet to the nearest:

 - VI. Gaming Establishment, Non-restricted use.
- c. This requirement has been not been met, there is an existing parcel (APN 126-01-401-013) located approximately 1,195 feet to the southeast across Kyle Canyon Road that is designated to be developed as a City Park where a 1,500-foot separation is required.

2. The distance separation requirement set forth in Requirement 1.b. may be waived in accordance with the provisions of LVMC 19.12.050(C) for the following:

- a) An establishment located on property within one or more of the following Special Area and Overlay Districts:
 - I. The Civic District, as described in LVMC 19.10.010;
 - II. The Market District or the Symphony Park District within the Downtown Las Vegas Overlay District, as described in LVMC Title 19, Appendix F; or

- c) An establishment located within a Mixed-Use development, as defined by LVMC 19.18.020;
- d) An establishment that will be separated from an existing protected use by a street or highway with a minimum right-of-way width of 100 feet; or
- e) An establishment that is located on a site, or within a building or structure, that is designated on the City of Las Vegas Historic Property Register.

Staff Report Page Six
September 21, 2022 - City Council Meeting

Pursuant to condition #2(d) the applicant has requested a Waiver to allow a reduced separation from the protected land use as the subject site is separated from the City Park by the Kyle Canyon Road right-of-way width that exceeds 100 feet, which staff supports.

*3. The use shall conform to, and is subject to, the provisions of LVMC Chapter 6.40.

The proposed use will be subject to all business licensing requirements outlined in LVMC Chapter 6.40 if approved.

The submitted building elevations indicate both structures will be one-story, with building façades that include a stone veneer exterior with painted stucco exterior finish, and is consistent with commercial development within the desert environment. The submitted landscape plan indicates the primary tree species being utilized throughout the development is the 24-inch box Mexican Sycamore, 24-inch box Golden Rain and 24-inch box Red Puss Pistache trees with a variety of five-gallon shrubs.

The proposed commercial development and use of the structures is consistent with the Kyle Canyon Area as outlined in the City of Las Vegas 2050 Master Plan and the surrounding area. The proposed project is compatible with the adjacent land uses and meets all the minimum requirements of Title 19 and the conditions of approval of the previous site development plan reviews for the commercial development with exception of the distance separation Waiver associated with the Gaming Restricted use; therefore, staff recommends approval the requested General Plan Amendment, Rezoning, Special Use Permits and Site Development Plan Review.
