Name: Fran Abbott

Message: I hereby express my strong opposition to allowing cannabis lounges in Las Vegas. If Henderson and North Las Vegas don't want them, why should we? We already have enough of our own problems with congestion and impaired driving — why should we invite more? Please help keep cannabis lounges out of our community!!!

Submitted after final agenda

Dear Councilwoman Seaman,

I ask you to vote "Yes" to opting out of the Cannabis Lounge licensing in the City of Las Vegas. We as a community in Ward 2 have made it very clear we do not want Cannabis near or kids, families or schools. Located dispensaries in Ward 2 is hard enough, and adding 32 potential Cannabis Lounges seems impossible without encroaching protected areas.

Other municipalities have opted out for good reason, please support City of Las Vegas residents and do the same.

The Cannabis industry promised many things to negotiate the licensing of Marijuana. To date, I see them do very little in the community, yet they want to congest our neighborhoods with adult uses. Sadly, we already have too much liquor and gaming in our communities.

Please vote to opt out.

Sincerely,

Lisa Mayo-DeRiso
