700 Park Paseo

9/7/22 City Council Appeal

City Council granted appeal to applicants at 700 Park Paseo subject to the HPC conditions listed below:

- The hot tub shall be adequately screened from public view.
- The outdoor shower and surrounding privacy fence shall be designed and constructed with materials that are consistent and compatible with the exterior of the house.
- The design of the garage conversion must conform to John S. Park Design Guidelines. This includes (1) all material must be compatible with the exterior of the house, (2) the shape and form of the roof may not be altered, and (3) any new windows must match all other windows currently on the house.
- The wooden fence along the north property line shall be reduced to 5-feet in height to allow for an unobstructed view of the house so that it contributes to the historic character of the neighborhood. In addition, the entirety of the fence should be of consistent matching materials rather than an abrupt change from iron and masonry piers to wood.
- Adherence to all Historic Preservation Commission's conditions of approval related to the Certificate of Appropriateness associated with 22-0327-HPC unless modified herein.

Downtown Area Command

Community Oriented Policing

What is Community Oriented Policing (C.O.P.)?

A partnership of law enforcement with the public, sharing the responsibility for protecting and improving the quality of life through teamwork, creativity, and community resources with the goal of reducing crime. Community Oriented policing squads maintain close working relationship with the community to provide services such as outreach, crime prevention, education, and events.

Downtown Area Command COP Homeless Outreach

Due to the large homeless population in the downtown area, DTAC has a dedicated homeless outreach team who works with city/county public works and other jurisdictional outreach teams. Our goal is to provide a safe environment for the downtown community as well as the individual who needs services.

Service Request:

A service request is a resource for the community to report issues that may require a police response but are not 911 related such as: illegal businesses, removal of shopping carts, unhoused camps, abandoned vehicles, vacant buildings, etc.

How to Contact COP:

- File Online Service Request via LVMPD.com
- Call: (702) 828-3822
- Email: DTAC@LVMPD.com
- Hours of Operation: Monday-Thursday 7am-4pm

Upcoming Training Opportunity

October 13, 2022 | 10:00-11:30AM PST
