Formstack Submission For: Planning App Comments

Submitted at 10/02/22 10:36 AM

Meeting Date: Tuesday, October 11, 2022

Project Number: 22-0410

Position: I OPPOSE the project and all related applications.

Name: Rosette Montes-Hempler

**Residential or
Business
Address:** 6212 Rodman Ridge Court
Las Vegas, NV 89130

Comments:

We are in a drought yet developers are continuing to want to build more homes. For the sustainability of Las Vegas, we should not allow this to continue.

Additionally, this area is becoming more and more congested making it more dangerous for the nearby elementary school students who have to cross traffic. Noise pollution is increasing as well with the additional traffic building more homes brings.

I oppose this project and it's related applications.

Comments: I do not approve of these changes. Building more houses then was originally zoned for (estate properties) park use, bring be more UNWANTED traffic to this area. We already have too many problems with traffic with drop off and pick up of students at the elementary school. This traffic is not good for our area and the overcrowding of the school. Additionally, this will bring more UNWANTED congestion, littering and problems our small neighborhood. park is uninterested in having to deal with. Lastly, this will bring our property values down. Small single family houses on a small lot size has no beneficial business in our area with larger

estate properties, ranch properties and traffic problems on Azure. We already have speed bumps and we still have problems with speeding and traffic.

Comments: Oppose
I have lived just south of the parcel for just under 25 years. While I do not oppose responsible growth I do oppose this type of construction on an already pressured infrastructure. Azure St (just north of project) is used as an east west artery to 215 and is constantly busy. So much that speed humps were installed. Tropical Parkway (ingress/egress to project) is also used as an artery to 215 and due to already extremely high traffic volume has been the site of serious accidents including fatalities. It is also in very poor condition road wise with no stop signs

33 a-d P
pg 1 of 2

between Rainbow and Jones which contributes to the speeding. The site location and surrounding area are not set up for the proposed increase in usage and will only result in something tragic that could have been avoided with a no vote.

Email: ssalamber@aol.com

Comments: I strongly oppose this project. First, the school across the street is already using multiple portable classrooms and is overcrowded. Secondly, it will worsen the flooding on Torrey Pines and Bullring. It is already an issue and with this project it will put all of the drainage onto Bullring. Third, there are already a number of cars parked on Rebecca and Bullring for the school and park. This will significantly increase congestion in the area. Lastly, traffic in the area is on small two lane roads with no shoulder and in need of repairs as is. There are accidents (many fatal) frequently at Tropical and Torrey Pines. Also unmitigated speeding east/

33a-d P
79 1 of 2

west on Tropical that will further create issues in the area. Most in this area moved here looking for an area that was rural, mostly developed and no room for high density housing. This project destroys that purpose. Please respect that and keep the zoning as planned R-E 1/2 acre lots. Thank you for our ability to speak on this matter. Sincerely and respectfully, Sal and Amber Solis.

Formstack Submission For: Planning App Comments

Submitted at 10/10/22 3:15 PM

Meeting Date: Tuesday, October 11, 2022

Project Number: 22-0410

Position: I OPPOSE the project and all related applications.

Name: Rebecca Taggart

Residential or Business Address: 6056 Wyatt Creek Ave
Las Vegas, NV 89130

Phone: (303) 929-6071

Email: b.taggart99@hotmail.com

Comments: Building 36 houses on this lot is not really what we need here. "Affordable housing" isn't in line with the neighborhoods here and will only decrease the value of existing homes. The proposed homes will be small (would have to be to fit on that parcel) and are not at all compatible with surrounding homes. In addition, the amount of traffic this proposed development would bring to Tropical, Azure, and Rebecca would be ridiculous. As it is now, cars regularly exceed the 35 mph speed limit on Tropical and LVMPD doesn't patrol these streets. More fast traveling cars near a school is just asking for a disaster or death of a child.

Comments:

I opposed the Affordable housing project that is proposed for this open zoned area. I am all for affordable housing for communities. However, as a homeowner in this area I value my property and area I live in. We work hard and take pride in where we reside and the beauty in our neighborhood and we do not want our property values going down. This area in question is zoned for open space, hoping that it would be an extension to our beautiful park for our families not just a bunch of crowded homes. Please reconsider in approving this application for the affordable housing project for the Tropical Parkway and Rebecca area. Thank you.
