

Whereas; The Nevada Health and Bioscience Corporation (NHBC) is not-for-profit corporation built from the ground up by leaders who live in Nevada and are passionate about educating and empowering it's community; and

Whereas; NHBC is committed to providing an impactful change by improving the quality of life for Nevadans; and

Whereas; after researching, observing and connecting directly with individuals around Nevada, NHBC's leaders saw an opportunity to enhance existing healthcare infrastructure with current technology and resources in a faster and more efficient way; and

Whereas; NHBC gave an initial investment of \$120 million to build the Kirk Kerkorian School of Medicine at UNLV, which opened in October, exceeding expectations; and

Whereas; the NHBC will continue their investment in healthcare and the Las Vegas Medical District through the addition of both a Public Health & Research Lab and Clinical Care facility with the support of over \$80 million in public funding; and now

Therefore; we, the Mayor and Members of the Las Vegas City Council, do hereby take great pride in proclaiming December 21, 2022, as:

“Nevada Health and Bioscience Corporation Day”

In The City of Las Vegas we call all citizens to observe this day.
