

To whom it may concern

January 23<sup>rd</sup>, 2023

I would like to take the time to first appreciate you all, on your assistance with my request on an abeyance for you upcoming March 1<sup>st</sup>, 2023, City Council meeting.

**Reason:** Date scheduled for my appearance is February 15<sup>th</sup>, 2023 for 22-0659, as I have a scheduled work week appearance out of town for the week of 2-13-23 To 2-17-23 and its very important I am there.

My appearance with the City Council is very much also important and would like to get this whole nightmare behind me as soon as possible.

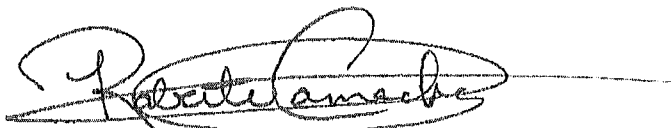

If possible, I am asking that you change my date and will ensure I am there in person, instead of having to send in a representative, if not granted the date change.

**Date Scheduled: February 15<sup>th</sup>, 2023**

**Request Date: March 1<sup>st</sup>, 2023**

Sincerely

Roberto Camacho
