SECTION 1: Ordinance No. 6289 and the Unified Development Code adopted as Title 19 of the Municipal Code of the City of Las Vegas, Nevada, 1983 Edition, are hereby amended as set forth in Sections 2 to 52, inclusive, of this Ordinance. The amendments are deemed to be amendments to Ordinance No. 6289 and to the Unified Development Code adopted as Title 19.

SECTION 2: Section 19.09.030.O is amended to read as follows:

19.09.030.O Nonconformities

Reinvestment in nonconforming structures and associated uses in Transect Zones to achieve public safety, environmental, economic, or fiscal benefits in concert with the goals of the Downtown Master Plan is encouraged. However, within Transect Zones established pursuant to this Chapter, there may exist lots, structures and uses of land which were lawful before the effective date of this Chapter or an amendment thereto and which would be prohibited, regulated, or restricted under the terms of this Chapter, as amended. It is generally the intent of this Chapter to permit these nonconformities to continue until they are removed or abandoned, or until such earlier time as they are ordered to be removed, but not to encourage their survival. Notwithstanding that general intent, the provisions of this Chapter, rather than any inconsistent general nonconforming provisions of the Title, shall govern lots, structures and uses which became or become

1 nonconforming by reason of the adoption of this Chapter or an amendment thereto. The application of this
2 Chapter to govern nonconformities pursuant to the preceding sentence shall be effective as of the date of the
3 adoption of this Chapter or the amendment thereto (as applicable), whichever action created the
4 nonconformity.

5 1. Renovations may extend to the maximum amount allowed by the applicable Transect
6 Standards in accordance with this Chapter, but no renovation may increase the extent of nonconformity to
7 the standards set forth in this Chapter.

8 2. Except as otherwise provided in this Chapter, the abandonment, continuation, expansion or
9 relocation of nonconforming uses, buildings and signs, including nonconformity resulting from any City
10 action described in LVMC 19.14.090, shall be subject to Chapter 19.14.

11 3. Any use or structure that was established or constructed in violation of the then-applicable
12 zoning regulations at the time of the establishment or construction is deemed not to be a nonconforming use
13 recognized as such under this Chapter and Chapter 19.14, and remains in violation of the applicable zoning
14 regulations set forth in this Title.

15 SECTION 3: Section 19.09.030.R (pertaining to “Definitions”) is deleted in its entirety.

[The Director may also determine that a use not listed in LVMC Section 19.12.010 (Land Use Tables) is allowed either within the building(s) or on the property if the use supports the purpose and intent of the Zone and is consistent with the goals and policies of the Downtown Master Plan, subject to issuance of a Temporary Commercial Permit under LVMC Section 19.16.160 (Temporary Commercial Permit).
