**Planning**

1. Conformance to all Minimum Requirements under LVMC Title 19.12 for a Mini-Storage Facility use, except as amended herein.
2. A Waiver is hereby approved to allow a non-decorative block building façade where such is required.
3. Approval of and conformance to the Conditions of Approval for Site Development Plan Review (23-0032-SDR1) shall be required, if approved.
4. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.16. An Extension of Time may be filed for consideration by the City of Las Vegas.
5. All necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Department of Building and Safety.
6. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit, as well as submitted as part of any business license application.
7. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

---

---

**23-0032-VAC1 CONDITIONS**

---

---

1. The limits of this Petition of Vacation shall be a portion of a Public Drainage Easement and U.S. Government Patent Reservations generally located on the south side of Charleston Boulevard, approximately 782-ft west of Rainbow Boulevard, on Assessor Parcel Number 163-03-501-006.

**Conditions Page Two**  
**April 11, 2023 - Planning Commission Meeting**

2. Dedicate a 20-foot Drainage right-of-way for the Holmby Channel on the southern edge of this site prior to the recordation of the Order of Vacation or Relinquishment of Interest.
3. All public improvements, if any, adjacent to and in conflict with this vacation application are to be modified, as necessary, at the applicant's expense prior to the recordation of an Order of Vacation or Relinquishment of Interest.
4. All development shall be in conformance with code requirements and design standards of all City Departments.
5. The Order of Vacation and Order of Relinquishment of Interest shall not be recorded until all of the conditions of approval have been met provided, however, the conditions requiring modification of public improvements may be fulfilled for purposes of recordation by providing sufficient security for the performance thereof in accordance with the Subdivision Ordinance of the City of Las Vegas. City Staff is empowered to modify this application if necessary because of technical concerns or because of other related review actions as long as current City right-of-way requirements are still complied with and the intent of the vacation application is not changed. If applicable, a five foot wide easement for public streetlight and fire hydrant purposes shall be retained on all vacation actions abutting public street corridors that will remain dedicated and available for public use. Also, if applicable and where needed, public easement corridors or other easements that would/should cross any right-of-way being vacated must be retained.
6. If the Order of Vacation (and/or Order of Relinquishment of Interest if a Patent Reservation) is not recorded within two (2) years after approval by the City of Las Vegas or an Extension of Time is not granted by the Director of Community Development, then approval will terminate and a new petition must be submitted.

---

**23-0032-SDR1 CONDITIONS**

---

---

**Planning**

1. Conformance to the approved Conditions of Approval for Site Development Plan Review (20-0384-SDR1) except as amended herein and approval of and conformance to the Conditions of Approval for Special Use Permit (23-0032 -SUP1) and Vacation (23-0032-VAC1) shall be required, if approved.

**Conditions Page Three**  
**April 11, 2023 - Planning Commission Meeting**

2. This approval shall be void two years from the date of final approval, unless exercised pursuant to the provisions of LVMC Title 19.16. An Extension of Time may be filed for consideration by the City of Las Vegas.
3. All development shall be in conformance with the site plan, landscape plan and building elevations, date stamped 03/20/23, except as amended by conditions herein.
4. An Exception from Title 19.08.110 is hereby approved, to allow six interior parking area trees where eight are required.
5. All necessary building permits shall be obtained and final inspections shall be completed in compliance with Title 19 and all codes as required by the Building and Safety Division.
6. These Conditions of Approval shall be affixed to the cover sheet of any plan set submitted for building permit.
7. A technical landscape plan, signed and sealed by a Registered Architect, Landscape Architect, Residential Designer or Civil Engineer, must be submitted prior to or at the same time application is made for a building permit. A permanent underground sprinkler system is required, which shall be permanently maintained in a satisfactory manner; the landscape plan shall include irrigation specifications. Installed landscaping shall not impede visibility of any traffic control device.
8. A fully operational fire protection system, including fire apparatus roads, fire hydrants and water supply, shall be installed and shall be functioning prior to construction of any combustible structures.
9. All City Code requirements and design standards of all City Departments must be satisfied, except as modified herein.

**Public Works**

10. Dedicate a 20-foot Drainage right-of-way for the Holmby Channel on the southern edge of this site prior to issuance of permits for this site.
11. The sidewalk adjacent to this site shall meet Public Right-of-Way Accessibility Guidelines (PROWAG) in accordance with code requirements of Title 13.56.040 to the satisfaction of the City Engineer concurrent with development of this site. Grant any Pedestrian Access Easement needed to complete this requirement.
12. Coordinate sewer connection at a size, depth, and location acceptable to City of Las Vegas Public Works Sanitary Sewer Section.

**Conditions Page Four**

**April 11, 2023 - Planning Commission Meeting**

13. Unless otherwise allowed by the City Engineer, construct sidewalk on at least one side of all access drives connecting this site to the adjacent public streets concurrent with development of this site. The connecting sidewalk shall extend from the sidewalk on the public street to the first intersection of the on-site roadway network and shall be terminated on-site with a handicap ramp.
14. Landscape and maintain all unimproved right-of-way adjacent to this site. All landscaping and private improvements installed with this project shall be situated and maintained so as to not create sight visibility obstructions for vehicular traffic at all development access drives and abutting street intersections.
15. Queues for the site shall not extend into the public right-of-way.
16. A Drainage Plan and Technical Drainage Study must be submitted to and approved by the Department of Public Works prior to the issuance of any building or grading permits or submittal of any construction drawings, whichever may occur first. Provide and improve all drainageways recommended in the approved drainage plan/study. The developer of this site shall be responsible to construct such neighborhood or local drainage facility improvements as are recommended by the City of Las Vegas Neighborhood Drainage Studies and approved Drainage Plan/Study concurrent with development of this site.

**Staff Report Page One**  
**April 11, 2023 - Planning Commission Meeting**

**\*\* STAFF REPORT \*\***

**PROJECT DESCRIPTION**

The applicant is requesting Major Amendments to a previously approved Special Use Permit and Site Development Plan Review for a Mini-Storage development at 6909 West Charleston Boulevard.

**ISSUES**

- Special Use Permit Major Amendment (23-0032-SUP1) is requested to amend previously approved Special Use Permit (20-0384-SUP2) for a Mini-Storage Facility use with a Waiver to allow a non-decorative block building façade where such is required. Staff supports this request as the applicant is proposing a variety of materials and colors.
- Site Development Plan Review (23-0032-SDR1) is requested to allow a Major Amendment to a previously approved Site Development Plan Review (20-0384-SDR1) for an 835-unit, two-story, 93,343 square-foot Mini-Storage development. Staff supports this request.
- Vacation (23-0032-VAC1) is requested to Vacate U.S. Government Patent Easements and Storm Drainage Easements for the Holmby Channel. Staff supports this request.
- An Exception is requested to allow six interior parking area trees where eight are required. Staffs supports this request.
- Code Enforcement Case #CE23-01263 was opened on 03/06/23 regarding trash and graffiti at the subject site. The case remains open.
- Extension of Time requests will need to be made for Special Use Permit (20-0384-SUP2) and Site Development Plan Review (20-0384-SDR1) if the proposed Major Amendments are not approved prior to the May 19<sup>th</sup> expiration date.

**ANALYSIS**

The subject undeveloped parcel is zoned C-1 (Limited Commercial) and subject to Title 19 development standards. It abuts a Multi-Family Residential development to the west and an office development to the east. A single-family residential neighborhood is separated by a drainage channel on property adjacent to the south. On May 19, 2021, the City Council approved the following entitlements for the subject site:

- Special Use Permit (20-0384-SUP1) for a Recreational Vehicle and Boat Storage use.

**Staff Report Page Two**  
**April 11, 2023 - Planning Commission Meeting**

- Special Use Permit (20-0384-SUP2) for a proposed Mini-Storage Facility use.
- Site Development Plan Review (20-0384-SDR1) for a 281-unit, two-story, 82,100 square-foot recreational vehicle and mini-storage development with a waiver of Title 19 landscape buffer requirements.

**Special Use Permit (23-0032-SUP1)**

The applicant now requests a Major Amendment to the previously approved Special Use Permit (20-0384-SUP2) for a Mini-Storage Facility use. Special Use Permit (20-0384-SUP1) for a Recreational Vehicle and Boat Storage use is no longer proposed for the site at this time. Pursuant to Title 19.16.110, a Special Use Permit amendment is required for proposed changes that require the need for a Waiver of any minimum Special Use Permit requirement. A Waiver is now requested to allow a non-decorative block wall façade where such is required. The proposed façade materials include a combination of stucco, corrugated metal, split faced CMU and spandrel glass. Staff supports the Waiver request as the proposed materials and elevation exceeds that of what Title 19 requires and creates an aesthetically pleasing environment.

Per Title 19, a Mini-Storage Facility is defined as, “A facility with enclosed storage space, divided into separate compartments no larger than 500 square feet in size, which is provided for use by individuals to store personal items or by businesses to store materials for operation of a business establishment.

**Minimum Special Use Permit Requirements:**

1. No more than one manager’s security residence shall be permitted.

*This requirement is not applicable as the submitted floor plan does not depict a manger security residence.*

2. All storage shall be within an enclosed building except for the storage of recreational vehicles, which shall be completely screened from view from surrounding properties and abutting streets.

*This requirement is met as all storage is proposed to be within an enclosed building.*

3. The following activities are prohibited on or from the premises of a mini-storage facility:
  - a. The conducting of a business (other than the mini-storage business itself and permitted accessory uses);
  - b. The retail sale of stored items;

**Staff Report Page Three**  
**April 11, 2023 - Planning Commission Meeting**

- c. The commercial repair of motor vehicles, boats, trailers and other like vehicles;
- d. The operation of spray-painting equipment, power tools, welding equipment or other similar equipment;
- e. The production, fabrication or assembly of products.

*These requirements are met as the applicant has proposed to operate a Mini-Storage use at the subject site and none of the above mentioned.*

- 4. The rental of single unit trucks and small utility trailers shall be permitted as an accessory use to a mini-storage facility, provided the business is conducted out of the same office as that of the mini-storage facility. No trucks or trailers shall be displayed in public view, and the combined total of all trucks and trailers stored on site shall not exceed a ratio of 2 trucks or trailers for each 100 storage units.

*This requirement is met as the applicant has not proposed to offer vehicle rental services.*

- 5. Truck and trailer storage shall be screened from streets and adjacent properties.

*This requirement is met as no outdoor truck or trailer storage is proposed.*

- 6. When adjacent to a residential use, the exterior wall of the mini-storage shall be constructed of decorative block.

*This requirement is not met as a Waiver is requested to allow a non-decorative block wall façade where such is required. The proposed façade materials include a combination of stucco, corrugated metal, split faced CMU and spandrel glass which exceed what is required by Title 19. Staff supports this Waiver request.*

**Site Development Plan Review (23-0032-SDR1)**

Pursuant to Title 19.16.100, a major Site Development Plan Review is required when proposed changes fail to comply with all minimum Title 19 development standards. A Major Amendment to previously approved Site Development Plan Review (20-0384-SDR1) is requested to allow the following changes:

- Mini-Storage unit count increased from 281 to 835 units;
- RV parking/storage units no longer proposed;
- Overall square-footage increased from 82,100 square feet to 93,343 square feet;
- Building height increased from 26 feet to 33 feet;
- The proposed building façade materials include a combination of stucco, corrugated metal, split faced CMU and spandrel glass;

**Staff Report Page Four**  
**April 11, 2023 - Planning Commission Meeting**

- A Waiver is requested to allow a non-decorative block wall façade where such is required adjacent to a residential use;
- Exception needed for missing parking lot islands; and
- Associated entitlement Vacation (23-0032-VAC1) is requested to Vacate U.S. Government Patent Easements and Storm Drainage Easements for the Holmby Channel. Staff supports the request.

The proposed major amendments eliminates the outdoor Recreational Vehicle Storage and increases the amount of storage units within the enclosed building which creates a development compatible with the residential neighborhood to the south by eliminating outdoor storage of large vehicles and trailers that often exceed the screening attempts made by block walls and trees. The proposed elevations exceed the minimum Title 19 requirements as a variety of materials and colors create an aesthetically pleasing environment that exceeds that of decorative block alone. As a result of the proposed changes, staff finds the proposed Mini-Storage Development can be conducted in a manner that is harmonious and compatible with the development in the area and is recommending approval of Special Use Permit (23-0032-SUP1), Petition to Vacate (23-0032-VAC1) and Site Development Plan Review (23-0032-SDR1) with conditions. If denied, the applicant will request an Extension of Time of previously approved 20-0384 in order to construct the proposed project as previously approved.

**FINDINGS (23-0032-SUP1)**

In order to approve a Special Use Permit application, per Title 19.16.110(L) the Planning Commission and City Council must affirm the following:

- 1. The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

The proposed use can be conducted in a manner that is harmonious and compatible manner with the surrounding land uses.

- 2. The subject site is physically suitable for the type and intensity of land use proposed.**

The subject site has sufficient space to accommodate a Mini-Storage use.

**Staff Report Page Five**  
**April 11, 2023 - Planning Commission Meeting**

- 3. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

Street access is provided by Charleston Boulevard, a 100-foot Primary Arterial, as classified by the Master Plan of Streets and Highways is adequate in size to service the needs of the proposed use.

- 4. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

If approved, the proposed Mini-Storage Facility use will be subject to building permit review and licensing, thereby protecting the public health, safety and general welfare.

- 5. The use meets all of the applicable conditions per Title 19.12.**

A Waiver is requested to allow a non-decorative block wall façade where such is required adjacent to a residential use. The proposed façade materials include a combination of stucco, corrugated metal, split faced CMU and spandrel glass which exceed the minimum Title 19 requirements and staff supports the Waiver request.

**FINDINGS (23-0032-SDR1)**

In order to approve a Site Development Plan Review application, per Title 19.16.100(E) the Planning Commission and/or City Council must affirm the following:

- 1. The proposed development is compatible with adjacent development and development in the area;**

The proposed elimination of outdoor recreational vehicle storage and changes to the building façade are compatible with the adjacent development in the area.

- 2. The proposed development is consistent with the General Plan, this Title, and other duly-adopted city plans, policies and standards;**

The proposed development exceeds the minimum requirements for building elevations of a proposed Mini-Storage Facility, but does request an Exception of parking lot landscape islands. Staff finds the Exception request will have minimal negative effect to the area and supports the request.

**Staff Report Page Six**  
**April 11, 2023 - Planning Commission Meeting**

- 3. Site access and circulation do not negatively impact adjacent roadways or neighborhood traffic;**

Street access is provided by Charleston Boulevard, a 100-foot Primary Arterial, as classified by the Master Plan of Streets and Highways which is adequate in size to service the needs of the proposed development.

- 4. Building and landscape materials are appropriate for the area and for the City;**

The proposed building façade materials include a combination of stucco, corrugated metal, split faced CMU and spandrel glass. A Waiver is requested to allow these proposed materials in lieu of the required decorative block wall façade adjacent to a residential use. Staff supports the request as the proposed building elevations create an aesthetically pleasing environment.

- 5. Building elevations, design characteristics and other architectural and aesthetic features are not unsightly, undesirable, or obnoxious in appearance; create an orderly and aesthetically pleasing environment; and are harmonious and compatible with development in the area;**

The submitted building elevations are not obnoxious or undesirable in design, and creates an orderly and aesthetically pleasing environment that is harmonious and compatible with development in the area.

- 6. Appropriate measures are taken to secure and protect the public health, safety and general welfare.**

If approved, the proposed uses will be subject to building permit review and licensing, thereby protecting the public health, safety and general welfare.

**FINDINGS (23-0032-VAC1)**

Staff has no objection to the Vacation application request to Vacate a Public Drainage Easement and U.S. Government Patent Reservations generally located at 6906 West Charleston Boulevard and is recommending approval of the request. This Vacation request should be sent to all the utilities however, as no right of way is proposed to be vacated, and thus no franchise rights are involved. It is not necessary to wait for responses from any of the public utilities or other parties interested in preserving a right in this patent easement. Since only City interests are involved; any utility company's interests will need to be addressed with each respective utility company and will not be affected by the City vacating its interest.

**BACKGROUND INFORMATION**

<b><i>Related Relevant City Actions by Planning, Fire, Code Enforcement, etc.</i></b>	
03/19/86	The City Council approved a petition for Annexation (A-0009-85) for 1,509 acres of land, including a portion of the subject site. The effective date of the annexation was 03/28/86.
05/01/96	The City Council approved a request for a Rezoning (Z-0034-96) from N-U (Non-Urban) to C-1 (Limited Commercial) on the subject site. The Planning Commission recommended approval on 04/11/96.
09/08/97	The City Council approved a request for a Reinstatement and Extension of Time [Z-0034-96(1)] for an approved restaurant, lounge and mini-storage facility on the subject site. The Planning Commission recommended approval on 08/14/97.
03/11/09	A Code Enforcement case (#75520) was processed graffiti and vagrants on property located at 6909 West Charleston Boulevard. The case was resolved on 05/22/09.
04/28/10	A Code Enforcement case (#89910) was processed for trash, debris, vagrant camp and graffiti at 6909 West Charleston Boulevard. The case was resolved on 05/26/10.
09/03/03	The City Council approved a request for a General Plan Amendment (GPA-2479) from: SC (Service Commercial) to: GC (General Commercial) on 5.37 acres adjacent to the south side of Charleston Boulevard, approximately 610 feet west of Rainbow Boulevard. This request originally included the subject parcel, but was removed at the City Council meeting prior to approval. The Planning Commission and staff recommended denial of the request.
	The City Council approved a request for a Rezoning (ZON-2480) from U (Undeveloped) Zone [SC (Service Commercial) General Plan Designation] under Resolution of Intent to C-1 (Limited Commercial) Zone and C-1 (Limited Commercial) Zone to C-2 (General Commercial) Zone adjacent to the south side of West Charleston Boulevard, approximately 610 feet west of Rainbow Boulevard. The Planning Commission and staff recommended denial of the request.
01/08/04	The Planning Commission denied a request for a Site Development Plan Review (SDR-3404) for a proposed Auto Inventory Storage Facility and Waivers to parking lot landscaping requirements and for a reduction of perimeter landscaping adjacent to the south side of Charleston Boulevard, approximately 770 feet west of Rainbow Boulevard. Staff recommended denial of the request.
