E-11 Severability [CAO-7/24/08]

The invalidity, illegality, or unenforceability of any provision of this Contract or the occurrence of any event rendering any portion or provision of this Contract void shall in no way affect the validity or enforceability of any other portion or provision of this Contract. Any void provision shall be deemed severed from this Contract, and the balance of this Contract shall be construed and enforced as if this Contract did not contain the particular portion or provision held to be void. The parties further agree to amend this Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this clause shall not prevent this entire Contract from being void should a provision which is of the essence of this Contract be determined void.

E-12 Waiver [CAO-7/24/08]

Waiver of any of the terms of this Contract shall not be valid unless it is in writing signed by each party. Waiver of any breach of this Contract shall not be held to be a waiver of any other or subsequent breach of this Contract.

E-13 Modification/Amendment [CAO-7/24/08]

This Contract shall not be modified or amended except by the express written agreement of the parties, signed by a duly authorized representative for each party. Any other attempt to modify or amend this Contract shall be null and void, and may not be relied upon by either party.

E-15 Indemnification [CAO-4/2020]

- (a) In addition to the insurance requirements set forth in Section D-5, "Insurance", and not in lieu thereof, the Company shall protect, defend, indemnify and hold harmless the City, its elected officials, officers, employees, agents, and consultants (collectively herein the "City") from and against any and all claims, liabilities, damages, losses, suits, actions, decrees, arbitration awards and judgments including attorney's fees, court costs or other expenses of any and every kind or character (collectively herein the "Liabilities") which may be recovered from or sought against the City, as a result of, by reason of, or as a consequence of (i) any act or omission, negligent or otherwise, on the part of the Company, its officers, employees, independent contractors, vendors, suppliers, consultants, or agents in the performance of the terms, conditions and covenants of the Contract; or (ii) a breach of any agreement between the Company and its employees, vendors, independent contractors, suppliers, consultants or agents; or (iii) any default in the performance of any obligation on Company's part to be performed under the terms of this Contract, regardless of whether the Liabilities were caused in part by the City. Company agrees that it is assuming the sole risk of any Liabilities related to the contraction by Company's officers, employees, vendors, suppliers, agents, independent contractors, and consultants or any other person of any viral infection or other disease, including, without limitation, COVID 19, related to the performance of this Contract and that Company's indemnity obligations contained herein cover any such Liabilities. In no event shall the language in this Section constitute or be construed as a waiver or limitation of the City's rights or defenses with regard to sovereign immunity, governmental immunity, or other official immunities and protections as provided by the Federal and State Constitutions or by law.
- (b) If a third party claim against the City for negligent performance by the Company is within the limits of its liability insurance, and the insurance company has accepted the City's tender of defense, then the City will pay the Company what is due and owing to them within the payment method specified in this Contract. However, if the claim is greater than the coverage amount, the City, for its protection, may retain any money due and owing the Company under this

Contract, until the claim has been resolved. In the event no money is due and owing, the surety, if required, of the Company, may be held until all of the Liabilities have been settled and suitable evidence to that effect furnished to the City.

- (c) It is expressly agreed that the Company shall defend the City at Company's expense, by legal counsel reasonably satisfactory to City, against the Liabilities and in the event that the Company fails to do so, the City shall have the right, but not the obligation, to defend the same and to charge all direct and incidental costs, including attorney's fees and court costs, to the Company. Company's indemnity obligations herein are not intended to nor shall they relieve any insurance carrier of its obligations under policies required to be carried by Company pursuant to the provisions of this Contract. Company's obligations under this Section shall survive any termination of this Contract.

The Company shall, at its sole expense, by legal counsel reasonably satisfactory to City, promptly defend against any such claim or action unless directed otherwise by the City or its representative; provided that the City or its representatives shall have notified the Company upon becoming aware of such claims or actions, and provided further that the Company's aforementioned obligations shall not apply to equipment, materials, or processes furnished or specified by the City or its representatives.

If the books and records provided to the City are incomplete, the Company agrees to remedy the deficiency after written notice thereof from the City, and to reimburse the City for any additional costs associated therewith including, without limitation, having to revisit the Company's office. The Company's failure to remedy the deficiency shall constitute a material breach of this Contract. The City shall be entitled to its costs and reasonable attorney fees in enforcing the provisions of this Section.
- (c) If at any time during the term of this Contract, or at any time after the expiration or termination of the Contract, the City or the City's designated representative(s) find the dollar liability is less than payments made by the City to the Company, the Company agrees that the difference shall be either: (i) repaid immediately by the Company to the City or (ii) at the City's option, credited against any future billings due the Company.

EXHIBIT A - SCOPE OF WORK

SCOPE OF WORK

Outline - *The City of Las Vegas: The Sixties*

Following award of the contract, Boyd Productions will hold a kick-off meeting with the Documentary Film Working Group and others to discuss and refine the content outline. We will spend considerable time fleshing out these stories, possibly putting some aside and discovering new ones.

As with earlier projects, *The City of Las Vegas: The Sixties* will have a story driven-narrative, featuring oral histories and first-hand recollections from those who can talk on-camera about 1960's Las Vegas. There are many great stories to tell during this decade. We look forward to unearthing them and combing through the 1000s of visual assets that will help tell the story of the City of Las Vegas in the 60's ---
An exciting and yet tumultuous decade

Many of the stories resonate on a national level, reflecting the civic and political upheaval at the time. We will view Las Vegas history in context of what is happening across the country, using news footage and national events to put local events in context. We clearly understand the need to focus on the city, and therefore, we will use that national imagery merely to set the stage.
