Re: Case #22-0646-SUP1, Juan Herrera dba Jacks Vegas Drive LLC, food truck
Planning Commission Public Hearing April 11, 2023, 6:00 p.m., and
City Council Public Hearing, 495 S. Main St, May 17, 2023 (first available date)

Dear Councilman Crear:

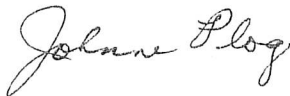

I received a Courtesy Notice for C-1 zoning near me at 4911 Vegas Drive, APN 138-25-503-001. I am homebound and unable to attend a hearing, but I have this input:

Previously there was a food truck operating at Vegas Drive and Decatur, and the problem there was that there was no water in the truck, and the one-person employee did not use gloves. This could be the same applicant, or a different one.

I do not object to the food truck at that location, and in fact I welcome it, but I request a stipulation. I want the Health District to check on the business frequently to make sure there is water, soap, and towels for the employee to wash his/her hands frequently; and for the employee to put new food handler gloves on when switching between food preparation and taking money (or cards) for sales.

Thank you.

Sincerely,
