Re: April 11, 2023, City of Las Vegas Planning Commission Agenda
Item #28 – 23-0052 / Harlem Nights, LLC

Dear Ms. Wetzstein:

Please be advised that our office represents the above-named applicant.

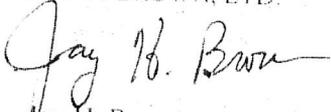

This application is scheduled to be heard on the April 11, 2023, City of Las Vegas Planning Commission Agenda.

We would ask that this matter be abeyed to the June 13, 2023, Planning Commission Agenda as the magnitude and importance of the project demands further outreach to the public. Commissioner Williams and, of course, Councilman Crear. We will be working with both the Commissioner and Councilman to set a public meeting to get input and further educate all concerned about the details of the project.

Your cooperation in this matter is sincerely appreciated.

Very truly yours,

JAY H. BROWN, LTD.

Dear Sir,

I would to express my concerns and **OBJECTION** to the proposed plans for the Town Tavern/ Toyko Casino at 600 Jackson Street ,Item Number 28 on your agenda for April 11, 2023.

Points of **CONCERN**:

Comments:

1. This request for 60 stories is **INTRUSIVE** in our Historic Westside
2. Consider the cost to build such a hotel/complex; think about the rent/mortgage per month. The everyday resident won't be able to **PAY** that.
3. Building such a structure will **DRIVE PROPERTY TAXES UP**, thereby driving **ALL** property owners taxes up and will drive us **OUT!** (**NONE OF US** will be able to afford to stay) leaving **RESULTS THAT IS GENTRIFICATION!!!!**
4. It could cause the **CHURCHES TO CLOSE**
 - A. Victory Baptist Church
 - B. Second Baptist Church
 - C. Pentecostal Temple
 - D. Other churches within 350 -500 feet
5. **THAT SIZE BUILDING** is **NOT CONDUCTIVE** to the residential homes,

- businesses, potential businesses, and Historically Registered landmarks, and The Walker African American Museum, (NEVADA'S FIRST MUSEUM of Black and African American History surrounding that location.
6. A "massage parlor" business is not something the average resident might desire or can afford. Unsavory patrons will probably be an issue as well.
 7. Assaults will probably arise in the area.
 8. Congestion of people, cars and parking will be an issue
 9. Resident's children, grandchildren and seniors won't feel safe to walk in the immediate area
 10. We already loss Mother Barlow, former Councilman Ricki Barlow's mother at the corner, CAN YOU IMAGINE the increase in Traffic with such an increase in apartments and people.
 11. This will be OVERWHELMING for our Historic Westside and it's UNREASONABLE
 12. I DON'T BELIEVE ANYONE is against DEVELOPMENT OR REDEVELOPMENT, BUT NOT AT THE EXPENSE OF OUR homes, businesses, churches, and our historical sites and the preservation of the aforementioned.
 13. SCALE IT DOWN, offer amenities desirable to the longtime residents and ADD TO the Historical VALUE OF THE NEIGHBORHOOD

Re: Harlem Nights LLC, Item #23-0052, 04/11 Planning Commissioners Agenda

Dear Mr. Strawser,

As a native and long-time resident of the *Historic Westside* community as well as an activist for many who continue to live there, we feel that the announcement of the Harlem Nights LLC project aka Ultra New Town Tavern has been the best news since 1955, the year the doors of this once thriving Casino were opened. Since its closing in 2010, this boarded up building displayed the results of an ignored and neglected community that seemed to always find itself surrounded by large funded projects without the intentions of an invite.

Jackson Street was once deemed the *Soul of Las Vegas*, and the closing of its last casino dismantled the blueprint of promise which was quickly replaced with despair with no room for emotional debate. The vision of the Harlem Nights LLC has brought a sense of hope, and the potential for growth and development to the stakeholders, churches, and residents in the community who want nothing more than to regain composure and confidence. And this project will definitely generate the foot traffic that is crucial to make these results happen.

For the past 25 plus years, we came close to a few projects (one was a casino) that would have revived the community, but were suspiciously halted by political ploy and/or community *leaders* who were only involved for their personal and financial gain. They complain to be compensated and have yet to this day they have yet to bring any progress whatsoever to the community, a community that has been held hostage because of greed and the lack of understanding economic development for the sake of survival.

Page Two
Harlem Nights LLC
Item #23-0052

During my days as the Chairwoman of the *F Street Coalition*, in between weekly meetings and peaceful protest demonstrations to reopen F and D Street (2008-2012), the residents attended three design charrette workshops where their ideas were expressed and officially recorded in the City of Las Vegas 100 Year Plan. At this time, the Coalition and the owner of the Harlem Nights LLC project, Mr. Meiri, shared the same legal representation. After I informed him about the demise of the Town Tavern and what a travesty it would be, he immediately stepped in and gained interest, which was followed by tours within the community on different times and days to get a feel of a casino's potential. He was convinced of the enormous economic possibilities, and has managed to maintain that same level of enthusiasm and passion for the Harlem Nights project today.

The Harlem Nights LLC project supports the resident's desire for mixed-use development, a walkable community, and a healthier environment. The project proposes to hire residents, and they will have the option to live in one of the units located in the 60 floor residential tower. In other words, they can work and live in the environment; it will be their *home away from home*.

I have no doubt that the Harlem Nights LLC project's overall vision will be the primary driver that will attract other developers who will discover that the majority of the residents, stakeholders, and surrounding churches are and have been ready for progress and development for quite a long time.

Mr. Strawser, this community needs you and the Planning Commissioners to understand the high price we have paid in this community, but we don't want to look back-only forward. On behalf of those who are in support of this project, and the hundreds of pioneers who are no longer with us, we would like to center our time and efforts on building a community rather than on the division of people.
