Comments	<p>The school already has enough capacity and increasing it's size and allowing for more students is a bad idea for the students and community. There is no bus service and there is no room for the cars that drop off and pick up students. The project also removes a good portion of the sports field that will reduce the amount of physical activities provided by the school. In almost every conceivable metric this is a bad idea.</p>

Comments	<p>I oppose this addition to the school. The school is too big for the current plot of land and they don't have enough parking for their school activities the PTO tries to put on through out the year. The administration is always telling the PTO that they can't do an activity because they don't have enough parking and they don't want to be a nuisance to the neighbors. Building this addition to the school is will not service the current students well by adding more time to the carline which is a mess in the morning and afternoon not just for the parents but also for the surrounding neighborhood which I live. Please don't add more chaos to the school and the neighborhood just so the school can get more money from the state.</p>

Comments	<p>I am a current substitute teacher and enrolled in UNLV's Secondary Education program with a focus in social studies. After substituting at this school in nearly every grade level it offers I believe that this school provides a fantastic education that is important for children to receive. With the opening of the new building more students will have opportunity to receive this excellent education. I understand the community's concerns with traffic but FCALV has complied and worked with the community to lessen traffic and increase safety.</p>

Comments	<p>I am a parent of a student at Founders Classical Academy of Las Vegas (FCALV). This school is the best in Vegas of its kind and is educating children in a way that will make a very big difference in the upcoming generations. I support the expansion of the campus as defined in Items 22-071-SUP1, 22-0701-SUP1, 22-0701-SUP3 and 22-0701-SDR1 on the Las Vegas City Council Agenda dated April 19, 2023. I understand the community's concerns about traffic volume and safety and support (and will comply with) FCALV's initiatives and City recommendations to improve traffic flow and safety in the AM/PM Carlines while driving safely in compliance with local traffic laws.</p>

Comments	As a retired, 30 year, CCSD High School teacher, it breaks my heart to say that the traditional public school system is failing. I have watched carefully for 2 years from inside Founders Classical Academy and they are providing an outstanding education, usually found in expensive private schools, that would not be accessible to the families in this working class neighborhood.

Comments	<p>As a Founder academy parent, I have seen what a wonderful education the school provides. The expansion will help the school build a better community and help our children grow into responsible model citizens of our city.</p>
-----------------	---

The school desperately needs this expansion. Our car pickup line is managed in as professional way as possible by our amazing staff but the expansion will not only give our children education growth but make the community around the school more organized as far as traffic flow goes.

Comments	<p>I am a parent of two Founders Classical Academy of Las Vegas and I support the expansion of the school as defined in items 22-071-SUP1, 22-0701-SUP1, 22-0701-SUP3 and 22-0701-SDR1 on the Las Vegas City Council Agenda dated April 19, 2023. I am aware of the community's concern for traffic volume and violations as well as the safety of all students and surrounding residents. I will comply with FCALV's initiatives and the City recommendations to improve the AM/PM carlines to help with traffic flow and extra safety.</p>

Hello and Thank you for your time.

I am a NARA community member, living within 2 blocks of Founders Classical Academy of Las Vegas (FCALV). I am a parent of two children at FCALV and support the expansion of the campus as defined in Items 22-071-SUP1, 22-0701-SUP1, 22-0701-SUP3 and 22-0701-SDR1 on the Las Vegas City Council Agenda dated April 19, 2023.

NARA's mission to preserve the community must also consider adaptation and expansion of the community. The NARA community has more new families moving to the area than before, many with young children, bringing life and updates to the neighborhood. FCALV has brought several improvements to the community while attracting this growth. The school collaborates with the community, and parents are excited by the educational offerings that FCALV brings. The neighborhoods and expansion projects were celebrated by me and our neighbors. We look forward to the growth of this school in the neighborhood and support FCALV's efforts to provide a safe and effective plan for interacting with its community stakeholders.

I understand NARA's concerns about traffic volume and safety. Those of us who live nearby FCALV support FCALV's initiatives and City recommendations to improve traffic flow and safety in the AM/PM Carlines while driving safely in compliance with local traffic laws. The car lines have not been an impediment to the community and rarely flow outside of the school property. There has been no impediment to traffic on Alexander Road by FCALV. On the contrary, the location of the school, the school zone, and the presence of school staff have made Alexander Road safer, causing cars to slow down on a "thru-street" and forcing awareness of the children already living, playing, and walking in the neighborhood. The addition of this school has brought awareness to the unsafe intersection at Alexander and Bradley and made motorists more cautious while driving. This is an improvement to my neighborhood, and I fully support the celebrated expansion of FCALV as a community stakeholder.

Thank you for your support of my neighborhood's school, of the growth in my NARA community, and for the celebrated expansion by my family and neighbors.

Comments	<p>It is vital that we continue to provide a classical-based educational experience to all students by supporting the expansion of this school. As the demand for this type of curriculum and opportunity continues to increase, we need to accommodate this demand by expanding the upper-grade level classroom space. This application will be able to support this endeavor. As an employee at this site, I have seen first-hand how the importance of a safe, friendly, and focused environment is vital to all students, and with more space this can continue. As a proud current and former parent of students who attend or attended this school, I would like to have this opportunity extended to more families. Thank you for your consideration.</p>

I support the expansion of Founders Classical Academy of Las Vegas!

We are a founding family with students graduating in 2022 and 2024. This school has been truly a blessing to my family. It is an ASSET to the community of Las Vegas.

I understand, appreciate, and share the concerns about traffic and safety. A small percentage of community members show disregard for traffic laws. Sadly, this is true for Las Vegas as a whole and is not unique to areas surrounding schools. I fully support compliance of traffic laws and drop off/pick up procedures specific to Founders Classical Academy and encourage strict enforcement against those who disregard these laws and procedures.

Comments	<p>A few more points: Traffic congestion could be ameliorated by the elongation of the median in front of the west entrance/exit of the school. Although the No U Turn sign is posted, there are many cars executing a U turn to enter the Alexander Road entrance of the Mosaic subdivision. Also, construction of a dedicated right turn lane at the intersection of Alexander Road and Rancho Drive would alleviate congestion due to the traffic in the right lane proceeding straight and blocking cars turning right onto Rancho. Excessive speed near the school seems to be mostly caused by residents not going the posted limit of 25 mph on Alexander and disregarding the school zone limit.</p>

Both my kids love Founders Academy. They have been challenged by the school's academics, built a foundation of character by learning the school's pillars/values and both my children have prospered.

I'm a veteran and my wife is from a foreign country. My wife and I have worked and lived in several foreign countries. We are amazed and humbled by all the parents that represents all walks of life that have chosen to bring their kids to Founders Academy.

We love how the school holds, not only the students, but the parents as well, accountable. It's a shame that the waiting list for Founders has grown. It would be a shame not to expand the school.

Please visit the school and see all the children from many, many backgrounds getting the education that their parents have desperately sought for. Then one will know that expanding Founders will ultimately benefit the students, parents and our community.

With appreciation
Gregory Lowell

Comments	<p>I am a parent of a student at Founders Classical Academy of Las Vegas (FCALV). I support the expansion of the campus as defined in Items 22-071-SUP1, 22-0701-SUP1, 22-0701-SUP3 and 22-0701-SDR1 on the Las Vegas City Council Agenda dated April 19, 2023. I understand the community's concerns about traffic volume and safety and support (and will comply with) FCALV's initiatives and City recommendations to improve traffic flow and safety in the AM/PM Carlines while driving safely in compliance with local traffic laws. To hold back the expansion progress of a good school based solely upon traffic concerns that are of minimal impact to the community as they occur twice a day I feel is selfish and irresponsible. Every school has traffic challenges throughout the valley. I have full faith that a reasonable solution for all parties will be reached by the City and Founders Academy in the very near future. Thank you for your time.</p>

Comments	<p>I am a parent/guardian of 2 students at Founders Classical Academy of Las Vegas (FCALV). I support the expansion of the campus as defined in Items 22-071-SUP1, 22-0701-SUP1, 22-0701-SUP3 and 22-0701-SDR1 on the Las Vegas City Council Agenda dated April 19, 2023. I understand the community's concerns about traffic volume and safety. The school has submitted a new carline schedule for next school year where the volumes will be significantly reduced and spread out to limit the impact on the surrounding neighborhood. I support and will comply with FCALV's initiatives and City recommendations to improve traffic flow and safety in the AM/PM Carlines while driving safely in compliance with local traffic laws.</p>

Comments	Hello,
-----------------	--------

I'd like to express my opinion and ask that you vote in favor of the Founders Classical Academy school expansion. As a mother, I want my children to have as many learning opportunities as possible and having a school like Founders Classical Academy be an option and so close to our home is a huge advantage to not only my family, but also other families in the area.

Thank you!

Comments	"I am a parent/guardian of a student(s) at Founders Classical Academy of Las Vegas (FCALV). I support the expansion of the campus as defined in Items 22-071-SUP1, 22-0701-SUP1, 22-0701-SUP3 and 22-0701-SDR1 on the Las Vegas City Council Agenda dated April 19, 2023. I understand the community's concerns about traffic volume and safety and support (and will comply with) FCALV's initiatives and City recommendations to improve traffic flow and safety in the AM/PM Carlines while driving safely in compliance with local traffic laws."

One is still there. I have always tried to avoid inconveniencing anyone in the surrounding neighborhood, and I will continue to do so, both as part of the school's carline policy and out of common courtesy. Any project of this size has the potential for inconveniencing local residents. I believe the vast majority of Founders' parents consciously behave in a way to minimize such inconvenience. i know i do.</p>
