

Dear members of the Planning Department of the City of Las Vegas

I am requesting a special use permit to allow open air vending use on 4911 Vegas Dr Las Vegas, NV 89108. I own a food trailer in which I plan to sell tacos out of in the parking lot in the northwest corner of the building. We will be taking up 2 of the 4 parking lots in the front of the building. We will not be taking up any accessible parking spaces on the property. The property has parking in the back with 16 available parking spaces. Our hours of operation will be 10am-8pm. While I understand that there is a senior citizen apartment building close by, I will not cause a disturbance of any kind.

My only intention in requesting a special user permit for open air vending is so that I can obtain my business license and be able to work, pay my taxes and grow my business.

Sincerely,

Juan Herrera
