RE: Request to extend the time of submittal requirements

Intended Use: For the retail sale of onsite drinking of liquor, gaming slot machines use, food preparation and sales for onsite or off-site eating (to go).

City of Las Vegas Planning:

We are currently awaiting the completion of the buildout, gaming, and liquor license approval.

The delay has been due to construction supplies and approval of licensing.

The gaming application was submitted December 2022 and the liquor license application was submitted June 7, 2023. We should be on calendar for August discussion; therefore, we request an extension of 4 to 5 months.

Thank you for your consideration.
