DEPARTMENT: Planning
DIRECTOR: Seth Floyd

CONSENT

SUBJECT:
RESOLUTIONS:

R-30-2022 - For possible action to approve a Resolution adopting a revised map of park districts under LVMC Chapter 4.24, relating to the City's residential construction tax, and providing for future updates to the map

FISCAL IMPACT:
None

PURPOSE/BACKGROUND:
Title 4.24.080 divides the city into park districts for allocating Residential Construction Tax. Those districts, reflected on an adopted map, should align with ward boundaries, but it is not entirely clear that those districts automatically change when the city updates ward boundaries. Accordingly, the purpose of this resolution is to clarify that the park district boundaries align with ward boundaries as those ward boundaries change from time to time.

RECOMMENDATION:
Staff recommends APPROVAL.
