Dept./Division: Parks, Recreation and Cultural Affairs

PURPOSE/BACKGROUND:

The City's Park and Trail Assistance Program Agreement with Get Outdoors Nevada provides a Volunteer in Parks (VIP) program that arranges 18 park clean-up or tree planting events throughout all six wards, coordinates youth programming activities and education, as well as the construction of one Native Habitat Garden in the City of Las Vegas. The agreement also calls for two maintenance events hosted at the Las Vegas Healing Garden; one in the fall in preparation for the October 1 memorial and one in the spring. Get Outdoors Nevada will also host one volunteer appreciation event at the end of each term in June.
