CONSENT

SUBJECT:

For possible action to approve the Nevada Safe Routes to School Program Subrecipient's Agreement PR354-22-063 for non-Infrastructure activities between the City of Las Vegas (CLV) and the State of Nevada Department of Transportation (NDOT) to provide Surface Transportation Block Grant Program (STBG) funds for the CLV's Safe Routes to School Program for the 2022-2025 school years (\$158,000 - Traffic Improvements Capital Project Fund [CPF]) - All Wards

FISCAL IMPACT:

Budget Funds Available
Amount: \$158,000
Funding Source: Traffic Improvements CPF
Dept./Division: Public Works/Transportation Engineering

PURPOSE/BACKGROUND:

The purpose of this agreement is to provide STBG funds for the CLV's Safe Routes to School Program for the 2022-2025 school years to help facilitate planning, development, and implementation of projects and activities that will improve safety and reduce traffic, fuel consumption, and air pollution in the vicinity of schools, and make walking and bicycling to and from school safer and more appealing for K-12th grade students, as specified by the agreement. The CLV is eligible for reimbursement up to \$158,000 per fiscal year (FY) of which \$150,100 from STBG funds and \$7,900 from local match funds for FY 2023, FY 2024, and FY 2025, while FY 2026 will have \$158,022 of which \$150,120.90 from STBG funds and \$7,901.10 from local match funds. The STBG funds are part of the Federal Transportation Alternatives Program (TAP) and provided by the Federal Highway Administration (FHWA), hence regulations under Chapter 1, Title 23 USC and Title 49 CFR are required.
