DISCUSSION

SUBJECT:

Discussion for possible action regarding activating and operating a temporary program by which fines for qualifying parking infractions may be paid by means of the donation of children's toys in lieu of the payment of money pursuant to LVMC 11.10.150 - All Wards

FISCAL IMPACT:

None

PURPOSE/BACKGROUND:

On July 18, 2016, the City Council adopted Bill No. 2016-34, authorizing the establishment and operation of an occasional program by which fines for qualifying parking infractions may be paid by means of the donation of food items, children's toys, or school supplies. This program requires city council approval to activate, and Parking Services requests activation of a temporary program allowing a recipient of a qualifying parking infraction issued between October 19 and November 16, 2022, to donate a non-violent, unwrapped toy of equal or greater value than the ticket fine, from approval through Friday, December 16, 2022. The recipient of the donations will be the City of Las Vegas' Flexible Housing Program. The Program links contracted housing units to Courtyard guests and families to support the process of achieving individual housing, financial and employment sustainability. This supportive, temporary housing of up to 90 days helps bridge the gap from homelessness to permanent housing.
