DIRECTOR: Susan Heltsley

SUBJECT:

For possible action to approve award of Modification No. 5 to Contract No. 130113-JL, Motorola Offendertrack CAD MDC Software, Verint Server Upgrade Project - Department of Innovation and Technology - Award recommended to: MOTOROLA SOLUTIONS, INC. (\$211,001 - General Fund and IT Capital Improvement Projects Internal Service Fund) - All Wards

FISCAL IMPACT:

Budget Funds Available

Amount: \$211,001

Funding Source: General Fund and IT CIP ISF

Dept./Division: Innovation and Technology

PURPOSE/BACKGROUND:

This Modification No. 5 provides for an overhaul and replacement of the Verint recording system that is interconnected with the Southern Nevada Area Communications Council P25 radio system, as the existing system is based on obsolete Windows 2012 servers. The new scalable system will provide improved recording capabilities for both Department of Public Safety (DPS) and Fire and Rescue dispatch operations, using new advanced hardware and software. This requirement is exempt from the competitive bidding process pursuant to NRS 332.115.1(g) Hardware for Computers, and NRS 332.115.1(h) Software for Computers. Motorola Solutions, Inc. is a global corporation with headquarters in Illinois.

RECOMMENDATION:

Approve as recommended, with signature authority granted to the Purchasing and Contracts Manager per R-20-2017.

BACKUP DOCUMENTATION:
