**PURPOSE/BACKGROUND:**

On June 16, 2021, City Council approved award of Agreement No. 210231-JL for expansion of the Darktrace Enterprise Immune System. Darktrace provides autonomous cyber defense protection of the City's computer network infrastructure against sophisticated hackers, and enhances the City's ability to defend these critical systems. This Modification adds products to the City's arsenal, including Prevent, Detect for Cloud, Respond for Apps, Zero Trust, and the cutting-edge HEAL module, which uses advanced artificial intelligence to return and restore core operating systems to normal in response to cyberattacks. This modification has a term of 36 months. This item is exempt from the competitive bidding process pursuant to NRS 332.115.1(h), Software for Computers. Darktrace Holdings Limited is located in Cambridge, United Kingdom.
