Dept./Division: Youth Development and Social Initiatives

PURPOSE/BACKGROUND:

The Junior Achievement (JA) Inspiration Center of Southern Nevada will be an experiential learning facility that gives students a hands-on look at what their futures can hold. The JA Inspiration Center will provide an immersive environment for the delivery of JA BizTown and JA Finance Park simulations – both bringing relevance, authenticity and application into the traditional learning model in order to energize students around academics and their future possibilities. It is proposed that the City of Las Vegas will have the City Hall/Government storefront in JA BizTown, where students will interact within a simulated economy and take on the challenges of running businesses. The sponsorship duration is 3 years and includes the following: \$50,000 build out/contractor/basic maintenance package on storefront for year 1, with a \$25,000 annual sponsorship fee in years 2, 3, and 4.
