DEPARTMENT: Economic & Urban Development
DIRECTOR: Ryan Smith

DISCUSSION

SUBJECT:

REPORTS AND PRESENTATIONS:

Report by Economic and Urban Development staff regarding the final recommendations resulting from the ECG Management consultant contract assessing the current state of healthcare in the Las Vegas Medical District (LVMD) - Wards 1 and 5 (Knudsen and Crear)

FISCAL IMPACT:

None

PURPOSE/BACKGROUND:

The city hired ECG Management in 2022 (Contract No. 220145-HM) to provide a high level overview to assess the current state of healthcare in the LVMD and recommend areas of focus to further develop the district. Their seven month contract involved interviews with all major LVMD stakeholders and tours of the district and several anchor facilities. The final report summarizes their findings and provides recommendations on next steps to further the goals set forth by the City Council directive to improve healthcare for community members.

RECOMMENDATION:

Report only; no action required.
