**SUBJECT:**

For possible action to approve an interlocal agreement between the City of North Las Vegas (CNLV) and the City of Las Vegas (CLV) for rehabilitation and the design and construction of Lake Mead Boulevard improvements - Simmons Street to Losee Road Project - City of North Las Vegas and Ward 5 (Crear)

**FISCAL IMPACT:**

None

**PURPOSE/BACKGROUND:**

The CNLV desires to enter into an interlocal agreement with the CLV to rehabilitate Lake Mead Boulevard between Simmons Street and Losee Road and provide complete roadway improvements within the CNLV jurisdictional boundaries along the Lake Mead corridor as shown in Exhibit B. Both parties acknowledge that separating the construction of the project by jurisdictions is not desirable; therefore, for this project, combining construction efforts will have numerous benefits, including minimizing time of disturbance for local residents, businesses and construction conflicts. The CLV will administer the project and the CNLV will allocate RTC funds per Exhibit C.
