56. Discussion regarding potential items for future City Council agendas - All Wards

Minutes:

COUNCILWOMAN SEAMAN wished to discuss having the Courtyard overseen and operated by the City. She understood there would be an increased cost to the City but believed it would give the City increased oversight and accountability and would allow it to serve the residents better. The Councilwoman said she understood the audit of The Animal Foundation has yet to begin, and the scope of the audit has yet to be finalized. She requested a review of the proposed audit contents. Lastly, she wished to discuss when negotiations would begin for The Animal Foundation contract, which expires in 2025. MAYOR GOODMAN believed legal counsel might be involved in the Councilwoman's final request because it is multi-jurisdictional. CITY MANAGER JORGE CERVANTES confirmed staff would report on the matter.
