5. Recognition of the Meals on Wheels Program

Minutes:

MAYOR GOODMAN invited DEACON THOMAS ROBERTS, President and Chief Executive Officer of Catholic Charities of Southern Nevada (CCSN), to the podium. She noted that MR. ROBERTS has held this position since 2013 and he has served as a member of the executive committee of the Southern Nevada CEO (Chief Executive Officer) Exchange since 2012. This represents the largest assembly of leaders within a not-for-profit organization in Southern Nevada, united by a shared mission to collaborate for the benefit of others. Additionally, he holds membership in and has previously chaired the Roman Catholic Diocese of Las Vegas Diaconate Council. He and his wife are Knighted members of the Equestrian Order of the Holy Sepulchre of Jerusalem, a Papal appointment aimed at supporting Christians in the Holy Land. MR. ROBERTS also served as the Vice Chairman for the Las Vegas Victims Fund, a nonprofit organization established to distribute donated funds to the victims of the October 1 shooting. The Mayor commended him for his hard work and dedication to serving the entire community and expressed appreciation for the Meals on Wheels Program offered by CCSN. This program has been providing nutritious meals to those in need in Southern Nevada since 1975. Meals are delivered directly to home bound seniors in Las Vegas and North Las Vegas at no cost to the recipient. Each week approximately 2,450 clients receive seven sets of nutritionally balanced frozen meals year-round. Moreover, Meals on Wheels drivers conduct weekly check-ins on the clients. Donated pet food is also delivered when needed to ensure the well-being of their pets. The Mayor emphasized that this service is a lifeline for home bound seniors, and she expressed gratitude for MR. ROBERTS and the Meals on Wheels Team.

MR. ROBERTS was honored to be present and he recognized the dedicated team members of the program, both present and working behind the scenes. He highlighted that the program offers 16 different services that benefits approximately 4,000 people daily. He mentioned that while 2,400 seniors benefit from the Meals on Wheels Program, there are still over a thousand individuals on the waiting list. MR. ROBERTS showcased a brief video regarding the program, which can be seen by watching the video for this item. He shared that several Councilmembers will be joining in delivering meals and visiting clients, and he thanked the Mayor for her support and leadership.

MAYOR GOODMAN asked MR. ROBERTS to provide further details about the program. He explained that the program is funded through a combination of government and private funding, with the latter being crucial for its sustainability. Food is purchased in bulk at discounted rates and prepared fresh by a chef alongside a registered dietitian. Each meal is customized to accommodate individual dietary needs and health requirements. The total cost per prepared meal amounts to less than \$9. MR. ROBERTS expressed his appreciation for several individuals such as his assistant, BETH GAZMARSKY (phonetic), Vice President of Finance, SARAH MEYERS (phonetic), Vice President of Development and Fundraising, CAROLINA MANG (phonetic), Director of the WIC (Women Infants and Children) program, LESLIE CARMINE (phonetic), Director of Media and Community Relations, and CHLOE VILLARD (phonetic), Communications Coordinator. The Mayor presented the team with Certificates of Recognition, copies of which were submitted for the record, and City of Las Vegas pins.
